Arizona Regional Service Committee September 2008

Chair Report

Since the last RSC meeting there has been quite a bit going on, which I hope you will be updated in the reports of the subcommittees today.

My main report concerns the audit of the outgoing RSC Treasurer, which took place on August 20th. It was attended by 5 regional officers. It ended with a shortage of \$230.00. All present agreed that the shortage could be chalked up to an error in book keeping math. The outgoing treasurer offered to reconcile the shortage out of pocket. That offer was not considered since there was no misuse of funds discovered. A note was made in the treasure's book acknowledging the shortage and the books were turned over to the Board of Director's CFO. The audit was then considered complete.

The second item of concern is the consensus based decision-making process that the RSC has elected to use. This process will require us all to study the information in our guidelines concerning this process. It will also call on us to be patient, respectful, considerate and also to listen. Ideas or proposals should be written as clearly as possible to reduce confusion and make a clear point. Wording is important. Also be able to support your proposal with principal or wisdom and not just feelings that cannot stand up under scrutiny. Most of us already know that financial matters are usually the issues that need the highest degree of clarity. Please keep that in mind. And lastly, this is not an area or committee competition; this is a body of committed and concerned individuals with one primary purpose which is to support and provide the services which facilitate the growth and development of NA in the Arizona region.

P.S. It is good to know that our process does not have to be perfect to serve our needs perfectly.

Always at your service
Sherwood T.

September 2008

The treasury audit was held on August 20th. During this audit process, several things were noted. I am sure the Chair included some of this in his report, however:

- 1) The ending balance on the last treasury report was out of balance against the checking account by \$230.80. After just a brief review of those records I found some mathematical errors on deposit slips and receipt values and one service fee not accounted for, but I did not reconcile to the penny, as the audit team did not find it a worthwhile task under the circumstances. I have, however, adjusted this error in September's report so that the new beginning balance is now in line with the bank. In order to avoid errors such as this in the future; I plan to reconcile to the bank account monthly, validate the deposit slip amount to the value of the deposit on the report monthly, and keep the balance of the account above \$4000 in order to avoid any unexpected charges, fees, etc.
- 2) The audit process entailed a randomly selected disbursement (check request or travel reimbursement) from each month of activity and then we validated that all of the necessary back up was included with the request. Not all of the disbursements/reimbursements selected included receipts or invoices (the required back up). For the future, all check requests should include any applicable invoices and receipt of payment for the invoice and that the checks be made payable to the entity directly—and not to the member—wherever possible. Travel reimbursement should also have receipts and documents to back up all expenses included on the reimbursement. The travel and/or service dates should also be indicated on all requests so that we know when to expect the reconciliation and receipts.
- 3) There is one travel advance from January that I still need to obtain back up for...and 7 check requests from July that I will anticipate collecting the appropriate back up for this month.

The goal of the audit was to review of the financial records to determine if the records are accurate, consistent and following prescribed procedures. Although I would say that the records did not “pass” audit, the root of the problem was a matter of poor accounting and record keeping and not holding the body accountable to their commitment in the process—not a misappropriation of funds.

We really need to be cognizant of the fact that we are spending NA funds—and that those funds are to be used to further our primary purpose, and must be managed accordingly. This calls for total fiscal accountability, which is why we have an obligation to the fellowship to take the necessary steps as trusted servants in providing appropriate “proof” of how we are utilizing, managing and accounting for the funds—and that we are abiding by the guidelines we are serving under. The guidelines state that committee chairs, etc. will: “submit receipts for any service related expenditures to the regional treasurer **prior** to the next regional meeting” and that the Treasurer will “Maintain accurate accountability of the ARSC bank accounts including all income sources and detailed expenditures”. I take my responsibility in this position—as I do with all my commitments—very seriously, and I thank this body in advance for maintaining your end of the fiscal responsibilities as well (so I do not have to hunt you down...oh, and I will).

Thank you for letting me be of service,

Deb W

Sharp creek Campout Workshop

The Sharp Creek campout workshop that Ken F. and I presented was well attended with good participation. We went well beyond the allotted time with the discussions. Ken created a word document that captured the responses from those that attended. We have sent that input to the WSO.

Workshops prior to Regional Meeting

In the coming months we would like to present the Leadership workshop to the RCM I's and the RCM II's before the ARSC meeting, so that you can present this workshop to your area. All the materials needed for you to present the workshop will be provided to you. Attending this workshop will give you a good understanding of how to facilitate a workshop.

Issue Discussion Topics

The session profiles for the IDT's will be posted on the web soon. This conference cycle we will be discussing the following topics:

Our Freedom or Responsibility
Leadership
Building Communications

More info on all IDT's can be found at: <http://www.na.org/IDT/IDT.htm>

If your area has an event or learning day and you would like to have a workshop on one of the IDT's please let me know as far in advance as possible.

If you would like the chance to interact with NA members from around the world please join one of the discussions on the NA website at <http://disc.na.org/index.htm>

I had sent my thoughts to the Policy and Guidelines committee on developing a process for how the Arizona Region will nominate members for the HRP (Human Resources Panel) process. If that process has been defined please forward me a copy as soon as possible so it can be sent to world. World is asking for all regions and zones to give their input on how they handle RBZ nominations.

CAN Area RCM Report

Sept. 21, 2008

CAN area is alive and survived another scorching summer! We continue to grow with newcomers, and recovery is happening on the River!

Our ASC has positions open – chair and convention chair. Our chair is willing to stay on although the guidelines say he is prohibited to continue after two consecutive terms. We do have a new activities chair and policy chair. Lisa from BHC, and Sandra from Needles.

We thought our new phone info and meeting updates had been sent to the region's web-servant, however in looking nothing has been updated. We changed the hotline to 928-768-6467 in July, which serves the CAN area of Bullhead City /Needles /Laughlin only. The correct information will be sent to MeetingList@arizona-na.org.

Our convention, CANAC XVII, is on and moving forward! The dates are July 17 – 19, 2009. We have filled almost all positions, with chair and registration still to be filled. The area vicechair Don G has been facilitating the meetings until the chair is filled. There are flyers requesting speaker tapes and there is a logo contest for the 2010 convention. Please take back to your areas.

Last month our area made a donation to WSO for \$60.39 and we have a donation to region for \$241.57.

Greetings from Phoenix Area Service Committee,

The transition of the new executive committee and subcommittees is going well, and the only open position is alt. treasurer.

Activities subcommittee has not made money and they are hoping that moving to a new location will start a new trend of at least covering expenses.

H & I has 3 locations needing support and attendance at the meetings is strong.

Helpline had a successful workshop where traditions and do's & don'ts were reviewed, resources provided and call examples were entertaining and informative.

Narathon subcommittee needs help with the upcoming Rockin' in the Rocks, occurring 10-5-08 starting at 10:00 AM at South Mountain Park. Contact Jeff T for more info. (see flyer)

PI has done their annual Basic Text Library drop; has responded to help the West Valley PI subcommittee and hopefully attended the Art of Recovery.

PASC RCM's held an informal GSR/GSR Alt Open House with the hopes of getting direction about how we can help them be successful. Ideas from that gathering were:

- They would like to invite RCM's to their business meetings
- Workshop ideas of how to be a better GSR and something on Sponsorship
- PASC Vice-Chair asked for assistance facilitating the Area Inventory

These workshops would occur during the "off" months from ARSC.

An idea was submitted that the GSR's inventory their meeting lists so that we can get a more accurate account of usage versus waste. (We didn't have any meeting lists at Sept. PASC

Gratefully,
Bethany H

PHOENIX, ARIZONA 85001

Dear Fellow Members,

Our Chairperson and Vice Chairperson performed an audit on our Area accounts and were able to reconcile all statements and inventories.

Our Vice Chairperson Redistributed copies of the Area Planning Tool to all present GSRs to be returned at the November meeting.

We RCMs held an impromptu get together with our GSRs for an informal discussion on what they might want from us as RCMs. There was a lot of input, from workshops on trusted servant positions, to attending Group Business Meetings at a Groups request. Most important though a deeper level of trust seems to be the result of this meeting.

Also at the Area meeting discussion was held on roving events and events with limited accountability. However discussion was cut short because the issue has not actually been sent to Area level yet.

An Idea was proposed; to have RCMs respond to any Areas request for funds, with a request for a plan (from the requesting area) on what they are doing to be self supporting. this idea passed.

We are supporting the idea of a Casa Grande Regional GSR Assembly for spring 2009.

Our Helpline workshop was a great success with lots of rousing discussion. The Public Relations Handbook was used as our guide.

Our Hospitals and Institutions is filing two new Institutional meetings, one of which is in cooperation with East Valley because it crosses both areas. H&I has opted out of attending the WSLD this year, however we will be making funds available for our Public Information Chairperson to attend the WSLD.

Narathon will be meeting weekly through September in preparation of Rockin' in the Rocks for info contact Jeff T at irishsoul@cox.net.

Outreach made a list of meetings that are either not attending Area or are in need of support and has made plans to start attending some of them over the next month.

We will be having a Sports Day November 2 at Encanto Park starting at 10:00 a.m.

In Loving Service,

Jim B.

Here's what's going on in Tucson and the surrounding area ...

- First and foremost, the Mt. Lemmon Bash was held last weekend and was a huge success. Despite the cold nighttime temperatures, many people camped out and even more showed up during the day. Approximately 100 people registered, with around 150 making their way up the mountain on Saturday. Early calculations indicate that \$4500 was raised after costs.
- Elections were held at the ASC meeting September 7th for all the subcommittees and, for the first time in a couple of years, every position was filled. The executive positions will change over at the next ASC meeting in October.
- Tucson has its very own local band, "Squeeky Clean", scheduled to perform at next month's "Rockin' in the Rocks" on South Mountain. Two members of our local fellowship are part of this band, which is making its first public appearance.
- The ARCNA XXIII committee is in full swing, gearing up for next year's convention in Tucson. They are looking for people who want to get involved and help make ARCNA XXIII a success. Also, entries are being accepted for a convention theme and logo ... Ellen S. has more details and flyers for anyone interested.

West Valley Area

Good Morning Family,

The West Valley has made the adjustment in consensus based decision-making, with the end result being that business meetings are more efficient, and take less time. Our area outreach chair is putting on a game day on September 27 from 10 am until 6pm at Harvest Church, there will be games for all ages, a raffle and an auction. The event is a fundraiser for the West Valleys Trusted Service Learning Days on November 8th in the same location. Anyone interested in being involved or for more information contact Dave C. @ 623-340-4087. Our area elections were held in August and we are still looking for additional members to serve. The following positions are still open in the West Valley; Vice Chair, Secretary, Alt. Secretary, RCM II.

Yours in Service

Open Committee Positions

Christine has submitted her resume for Vice-treasurer. The Fundraising/Entertainment Chair position is the only other open position. We have been passing the word. Hopefully, someone will step up at our October meeting. Please let your areas know about that open position.

Flyers

I am distributing flyers with committee member details, theme and logo information, and program/speaker submission information. Please circulate these hard copies. These have been distributed to the RCMs via email. Logo and theme submissions are due on October 3. In addition, John will be posting all flyers and information on the regional website <http://arizona-na.org/arcna/>.

PO BOX for ARCNA 23

Here is our PO Box. Belinda, Registration is holding the key and I will be holding the other key.

PO Box 12746
Tucson, AZ 85732-2746

Storage Locker

Dana, Vice Chair, will hold the storage locker key. She will provide the committee with an inventory of items. We did not receive an inventory from ARCNA 22.

Hotel Information

We found several items in the contract that were not accurate or missing. Phyllis (Host) and I met with the hotel to review these items. Phyllis continues to work with our hotel contact to get everything worked out. I've sent a list of issues to the Regional Chair and the BOD Chair.

One item of concern was that no Hospitality room was negotiated in the initial contract. We will pay for a hospitality suite at a discounted rate of \$299 per night plus cleaning fees. We have sent the BOD an addendum to the contract with this information. The addendum also includes a revised room block. Original room block Friday night =100, Saturday night =150.

Revised room block Friday night =125, Saturday night =175. This is a very large hotel with two ballrooms. The hotel does have other venues during our weekend and so we will be sending out flyers in the near future reminding folks to register early to make sure they get a room.

Hotel Information continued

The hotel is just beautiful. The committee took a tour and we were able to see the 1900 sq foot Hospitality suite, as well as some of the rooms and areas we will use during the convention. *
 The website for this hotel is <http://www.jwmarriottstarrpass.com/> Have a look! The rooms will be \$119 per night, as per our contract. The hotel has pools, a lazy river and water slide, golf, a spa, and most importantly, a Starbucks on site! Please pass the word to your areas about this lovely hotel!

We will let you know via email as soon as we have the hotel reservation code for our convention!

Budgets

Although we did not get all the budgets from ARCNA 22 or final reports from the subcommittees, we are using what we do have along with the ARCNA 21 information and have formulated **working budgets** for the subcommittees. Jacki is getting some information from Rodney and will be sharing that with the committee soon. In addition, prices are being worked out with the hotel for phone lines, banner hanging, etc. Registration and Merchandise committee are having discussions on early registration t-shirts. Fundraising items are also being evaluated. Therefore these budgets are proposed and will need to be finalized.

ARSC HOSPITALS AND INSTITUTIONS REPORT FOR SEPT. 21, 2008

Hello to everyone in the Arizona Region. I am honored to be of service as H&I Chairperson for this new term. I am excited about the opportunities we have before us to make this subcommittee stronger and to carry the Narcotics Anonymous message to more and more suffering addicts throughout this region.

One of my two biggest goals for this year is to increase attendance and participation at the Regional H&I meeting. I don't know if there has ever been a consistently strong, active H&I subcommittee serving this Region. There have been dedicated Chairpersons but not much else. We are off to a good start as a committee. We held our first meeting this morning and there were 3 members present. One of the ways I will be trying to accomplish this lofty goal is by traveling to the respective Area H&I subcommittee meetings over the next year and making a plea for representation at the Regional level.

I went to two Area H&I meetings this month. One was my home Area, which is Phoenix and the second was the West Valley. Phoenix has 18 H&I meetings and all officers' positions have been filled. There was discussion about how most H&I meetings are not conducted like regular meetings, but are more like a presentation of the basics of NA. They are almost always Speaker or Panel formats. This area subcommittee also agreed that The H&I Do's and Don'ts should be reviewed with speakers before they speak. Horror stories were then shared.

The West Valley H&I members have obviously not been restored to sanity as they continue to hold their meeting at 8:30AM. It was good nonetheless. They have 11 H&I meetings and all officers' positions have been filled. There was a good discussion about whether H&I jail meetings should be conducted by one person or not. This is strongly cautioned against in the H&I Handbook. My first H&I commitment was in the West Valley in 1998 and it was a pleasure to visit with them again.

My second goal for Arizona H&I is to cover more facilities, especially prisons, and to not duplicate our service efforts in doing so. I have done very little work on this as of yet. I need your help. If all of the RCMs could please get lists of all the facilities being covered in your Areas, it would be fantastic. If you could get contact information, even better.

Lastly, I am registered for WSLD XXII in Waianae, HI, which is 100.00. Airfare costs 517.40 and hotel accommodations will be 221.68. The remaining 160.92 out of my budget will be spent on transportation and H&I workshop CD's. I will have receipts at the next ARSC meeting. By the way, I will have very little time to enjoy the scenery, so don't be getting jealous and stuff. Thank you for this opportunity to serve. I am amazed when I think about it.

ADDICTION HELPLINE LIST RELEASE
SEPTEMBER 2008

Hello Family,

A clear understanding of the current situation is essential for the Region's success. It is my goal to ensure that the Helpline is the most effective resource for the Region's addicts.

Most Areas want to stay with their own meeting lists for their meetings. When speaking with H&I and PI/PR, they would like to see the Regional Meeting list. Most haven't even seen one. When they were printed before we did not make enough for them to be of use in the Areas. We have people in treatment centers and rehabs that are not all from that city. Point in case I had the privilege of meeting some young addicts at a dance in Verde Valley Area that were from here in the valley. They were asking where the meetings were close to home. If we had Regional Lists out they would have that information before they left and could plan on which ones to attend.

The only problem I still have is with cost. I had MAJOR help from Phoenix Area RCM Bethany, who created a new Regional meeting list on a spreadsheet format. It's done alphabetically by city. So all you do is look up the city and there you go. The Tri-area Helpline has been using this and it's easier to look up a meeting for an addict in need. I need to get with our Web master and see what has to be done to get a price-quote to print.

I'm asking for the RCM'S to find out from their respective H&I and PI/PR committee's how many meeting lists they put out in Literature racks, in mailings and any other place they put our meeting list and call me or e-mail this information so that I can come up with a number for printing.

Thanks for letting me be of Service,

According to the ARS guidelines, it states...

“The mission is to provide an open line of communication and service between the Area Service Committees and The Narcotics Anonymous World Service Office (NAWS). **The Arizona Regional Service Committee will provide the services and support that facilitates the continued growth and development of the fellowship of Narcotics Anonymous within the Arizona region.**”

We at VVANA would like to know why ARS sends away 80% of fund flow to World before taking care of the local area. The reason we are asking this is because of our recent denial of funds for our Area's literature. You did give us an emergency fund of \$200.00 but we were denied the first request. We are requesting ARS to do an inventory on how ARS is serving the local areas. We do not want a distribution of funds inventory but an allocation of funds that helps each individual area, through which we are ultimately reaching the Arizona addict.

ARIZONA REGIONAL SERVICE COMMITTEE

PUBLIC RELATIONS COMMITTEE REPORT

SEPTEMBER 20, 2008

Hello members of the Regional Service Committee, I hope that recovery and service finds you well. It has been a busy two months of doing service for public relations, and I am grateful for every moment I spent!

August:

- Friday night Lights: This event was at ASU and attended by over 4-600 adolescents, gave out a lot of literature including the new youth literature. This event was larger than I planned for and my suggestion is that next year the three local areas in the Phoenix Metropolitan Area get together and do this event. This even will take a lot of literature.
 1. We will be going back in December and I would like some assistance from the local areas; literature and meeting list.
- SWS 2008: Behavior health professional conference; Tucson Az. This was a week long conference. I set up the booth on Sunday and the local PI Committee in Tucson manned the booth Monday thru Wednesday, I returned Wednesday morning and stayed till Thursday evening. It was a great conference and Bob S. from World Services did the power point presentation to the conference, and that was a great educational experience. Contacts were established with Grand Canyon College, DOC, Spanish speaking treatment center, and the local probation department.

September:

- Of course you all know that this is recovery month, and last week was recovery week, and it ended with a booth at The Art of Recovery at the Phoenix Convention Center yesterday. The booth went well, we had plenty of help, gave out lots of literature, meeting list, copy of power point presentations and talked to a lot of individuals in and out of recovery. This was our third year and each year this event gets bigger.

Next month I will be attending the Western Service Learning Day Conference in Hawaii, I am hoping that some of the areas can send their H&I and PI chairs or vice-chairs to this conference. Remember this is a western states conference that includes Alaska and Canada, there are places that this event is held that cost as much and more to fly to than Hawaii. If you cannot send them this year, please make an effort to budget those committee chairs for next year. Thanks

I do have a power point presentation that I can give to the local PI Chairs, but I have to make copies and send the disk. Please tell your PI Chairs to contact me for the presentation and the 3 panel poster for use in their presentations.

Once again if my services are needed, please give me time to make arrangements to get there.
