**Phoenix Area Service Committee
Meeting Minutes for September 13, 2008**

The meeting was called to order by the Chairman Joey at 12:30 pm. The Serenity Prayer was read by Joey, followed by the Service Prayer read by Cliff, the 12 Concepts read by Jennifer G., our new GSR, and the 12 Traditions read by Chuck. The GSRs approved last month's Minutes and the current month's Agenda. The PASC welcomed 3 new GSRs: Jenny, GSR for NA by the Book; Nate, GSR for Living Clean; and Rick, GSR for Paradise in the Square.

Roll call was performed by the Secretary Merry. The PASC had a total of 20 GSRs present at the meeting out of 32 active groups. All members of the Executive Committee and Subcommittees were present, except the Treasurer. David D. filled the position of Acting Treasurer for the PASC in the absence of an Alternate Treasurer. The announcements at the meeting included upcoming events with references to flyers and handouts at the meeting. The Chair's report was read by Joey, followed by the Vice Chair's report read by Michael, the Secretary's report read by Merry, and the RCM reports read by Bethany and Jim (reports attached). There were two open forum requests: (1) Mike from East Valley to discuss the need for volunteers at BluesFest, and (2) Cliff to discuss Regional Meeting Lists.

Old Business discussed that the PASC still needs an Alternate Treasurer. Subcommittee reports were given by Activities, H&I, Narathon, Outreach, Phonline and Public Information (reports attached). New business included the RCMs' request for direction on: (1) **Money Requests** from areas (to request info, see Idea form #2); (2) **Western States Learning Day** (event may be attended by PI, but not by H&I, which will contribute its portion of designated funds to enable PI to attend); (3) **Traveling Conventions** (determined moot as the issue is not before Region for a decision at this time); and (4) **Location of Spring GSR Assembly** (Casa Grande, see Idea form #1). Joey provided a list of PASC meeting dates for 2009, attached. Michael provided another copy of the Area Planning Tool to be completed by the groups and returned by November. Three additional Idea forms were presented and are attached (#3, #4 and #5).

The Literature Chair Paul G. presented his Literature report, followed by a Treasurer's report by David D. There were expenses between last PASC and today are not included in the verbal report given, but will be provided in the final report. (See attached reports).

Funds were distributed as requested, and the meeting closed at 2:50pm with the Serenity Prayer.

Chair Report
September 13, 2008

Hello to everyone. I would like to thank the entire PASC for allowing me to serve the Phoenix Area.

First off, the reason we are meeting this weekend instead of last weekend is that I made an error last year while compiling the schedule of dates for our Area meeting. I thought Labor Day weekend was one of the conflicting dates when it wasn't. I realized my mistake right after Area last month. By then it was too late to change so here we are.

Never one to be deterred by failure, I have once again made a list of meeting dates for Area and copies are available on the table up front.

This month I was able to meet with our Treasurer, Debbie, and our Vice-Chair, Michael, to go over the Area audit. Michael will cover the results of the audit in his report but I must say I feel lucky to have such qualified and willing members to handle the administration of our finances.

I also attended the audit of the Area Activities subcommittee. Details to follow in our Vice-Chairs report.

I was able to update our Area Service Committee Registration with the World Service Office for the year. I encourage all GSR's to register their homegroups with WSO as this helps NA have a better understanding of how many groups are out here and what the WSO can do to better serve us and help carry the NA message.

Again, I would like to express my gratitude for this opportunity to be of service,

Joey Files
Chair

Vice Chair Report

Hello members,

Thank you for allowing me to be of service. I would like to thank everyone for their time and commitment given to the Phoenix Area Service Committee and the NA community.

This month I had a chance to meet with the H&I, Activities, Narathon and Helpline subcommittees. All the committees are operating as usual and the transition with the newly elected committee chairs was accomplished. I would like to thank Jeff T, John M., Chris W. and Chuck H. for their hard work and commitment to serve.

I met with the Activities Chair and Activities Treasurer to perform the required audit as required by the PASC Guidelines. Present at the audit was Joey, Michael, John and Frank. We were able to reconcile the bank statements to reflect the accurate recording of expenses and income. The audit team recommended the committee separate different events such as the Sedona Campout.

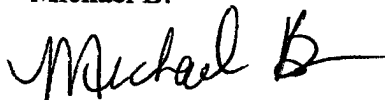

I met with the Treasurer Debbie, Joey and myself to audit the PASC Checking Account. The audit team suggest that the Treasurer use a check request forms for expenditures. The team recommended bank statements to be reconciled each month; service charges and other automated expense should be recorded in the register.

I would like to thank Literature Chair Paul for his time and service to provide an Literature inventory for the PASC audit.

I met with Bethany and John for a informal get together of the PASC GSR's discuss how they may provide better service.

Thank you for allowing me to be of service.

August Minutes and our Agenda were sent out with no problems. I received a few returned envelopes and a few changed emails, but no major snafus. If any of you did not receive your minutes either by mail or email, please give me your contact information sometime during the meeting and I will make sure the records are correct when I get on the computer.

Admin did not meet last month due to personal scheduling conflicts, but we will be meeting Monday and I will begin learning what other duties my position includes.

The minutes from August had a lot of enclosures, so expenses were a little higher this month. I have turned in a reimbursement form for monthly expenses, as follows:

Postage:	\$41.99
Copying	<u>\$129.96</u>
TOTAL	<u>\$171.95</u>

That about sums up the month.

Thank you for letting me be of service, and I look forward to serving as your new Secretary. If anyone has suggestions on how I can better serve the Area, my contact number is listed below.

In loving Service,

Merry M, Secretary.

RCM REPORT TO
PASC 9/13/08

Hello All,

The Arizona Region (ARSC) of Narcotics Anonymous meets Sunday 9/21/08, at noon, in the same room at St. Luke's that PASC normally meets in.

My report at ARSC will include the GSR/ GSR Alt Open House that your PASC RCM's hosted last Saturday. The invitation was sent via email and on short notice. (I hope you all have updated your contact information with our Secretary, because some of the emails bounced back).

A GSR & GSR Alt, the Helpline Chair and our PASC Vice-Chair showed up for the informal event. There was lively discussion and great suggestions about what some of the PASC representatives would like from their RCM's:

- "How to..." series of workshops, such as How to be a better GSR.
- Assistance with the Area Inventory that all of us received with our minutes.

It seemed successful and we hope – at the GSR's request -- to provide informal Open House's or Workshops in during the months when ARSC doesn't meet.

On a separate note, I left a message at World asking for more information about the roving conventions, such as Sister Circle and share their response if anyone asks.

In service,
Bethany h

Dear Fellow Members,

This month Bethany and I got together with some of our GSRs (Group Service Representatives) in a sort of "meet and greet" atmosphere. Our purpose was not to set any new policies, or even to discuss area business. It was only to get a feel in an informal setting of what our GSRs might want from us in the coming months. In this I feel it was a great success. Input was given by all who attended. Some of the things I learned were that; some of the groups might want us to attend their Group Conscience (business meetings). This idea by the way was inspired by the attendance of our Outreach Chairperson at a local group conscience meeting this month, way to go Sky! The possibility of workshops or learning seminars on topics like; How Can We Make Service Attractive, Group Trusted Service Positions, The NA Twelve Traditions, The NA Twelve Concepts of Service, Consensus Based Decision Making How does it really work and What Should We Know? The Area Planning Tool. We also discussed the importance of the area committee informing and supplying materials on upcoming events.

In all it was a very informative gathering and growth seemed to have been shared by all. I apologize for the lack of proper notice of this get together, but Bethany and I both agreed getting started on getting to know your desires of us over the coming year should not be put off to a more convenient time. The growth and health of all of our home groups is important to us all. If you would like for us to hold more of these get togethers just let either of us know.

In Loving Service,

Jim B.

HELPLINE REPORT 9/9/08 - PHX

The last committee meeting was on Tuesday September 9th. The operation is running well, with no problems to report. We have good coverage although we can always use all midnight – 6am shifts. We are also looking for first half rollover. The rollover position takes the calls if the primary volunteers don't pickup; they are also responsible for checking and answering the voice mails. We had an interesting month, we had 137 voice mails; the most we have ever had. 60 of these were from one individual in the space of 48 hours. The individual would leave long messages that made no sense, and did not ask for help nor leave a call back number. We have since blocked his number. I would like to thank my predecessor, David D., for all his help.

Minimum requirements for a shift are 6 months clean, regular attendance at NA meetings, an NA sponsor, working the steps of NA, and commitment to a 6 hour shift once per week. Training will be provided: these requests should be forwarded to the Chair, Chuck H @ [REDACTED] or [REDACTED] or to the Helpline VM box.

Monthly Helpline business meetings are the 2nd Tues., 7 pm at the NAMI office 2210 N 7th St, Phoenix. All are encouraged to attend

The workshop was a success we had 9 people attend. We followed the PR Handbook guide and had some rousing discussion.

Due to the "changing of the guard" we are 2 months behind on accessline, we have received a new check card which I will enter in accessline today and try to get the bill paid

Just for reference last year at this time we had \$4,327.71 in the bank with approximately 90 tee shirts on hand. Outreach Subcommittee Report
September 13, 2008

The Outreach Committee has a new meeting location! We will be meeting the 2nd Thursday of every month at the STARBUCKS on Central & Earl at 7pm! There are flyers on the table to announce the new location and hopefully gain support for the committee. We are currently a committee of 2 people! Please post these flyers in your meeting places.

Last month we went through the meeting list and identified meetings that are either not represented at Area, or may be in need of support. This month we plan to start visiting them.

I personally visited the Crossroads Connection group as they had some questions about current issues. I would be happy to visit any other groups at any time, just ask!

This month I visited the Helpline Committee Meeting to see if we could assist them in any way. Next month I am planning to go to the PI Committee meeting to do the same.

This month the Valleywide Meeting List Committee did not meet. There is a report to follow.

There were 1 new GSRs or Alternate GSRs at the GSR Orientation today.

Thank you for letting me be of service,

Skye C.

**Valley Wide Meeting List Committee
September 2008 Report**

The Committee did not meet this month. We did discuss the following subjects telephonically.

The frequency of the printed meeting list; We need feedback from the GSRs for the need of printing of the meeting list. Are we printing too much or not enough? Should we print every 4 months or every 3 months? The Area GSRs need to get this feedback from there groups so we can schedule our print dates for the next year. The last print was at 3 months due to the areas needing them early. Our next scheduled print is in November. The deadline for changes is the 19th of October.

We have started to develop guidelines for the committee. This will provide a single point of accountability. All Area Liaisons will be participating in the process. The committee will keep the areas informed and provide them a draft copy when we reach that point in the process.

If you have a meeting change please utilize the form provided and submit it to your Area Liaison. If you have a change before your area meets next contact your area lesion and submit it thru them. If you have to submit it yourself, go to the Regional Website <http://arizona-na.org>. Go to the valley meeting schedule and scroll to the bottom. The link for changes is at the bottom. Please provide all information necessary.

Phoenix Area Public Information Subcommittee Report – 20080912

Hey family,

Most of the work this month fell on Autumn, who ordered literature, dropped off basic texts to the Phoenix Public Library for “consideration” and followed up on the New Times Ad past due balance. We decided to hold the check cut last month until we can determine why we have an outstanding balance of 382.67 when our terms for the ad are “cash in advance”. Apparently, a check from one of the other two areas didn't clear, so we just need to find out whose so they can stop it and reissue it.

I did participate in a booth in the West Valley at Cactus High School with Robert S. last month, and we hope that this leads to more opportunities to carry our message to teens. We still haven't firmed up a date for a presentation to the VA, but Robert is willing to assist in that endeavor. I also dropped off a few meeting lists where they were needed, and we tentatively have a mailing meeting scheduled for Saturday the 26th. We could use some help on follow-up calls prior to this next mailing to help weed out the uninterested contacts. We considered doing this again at Autumn and Jason's place so I could make spaghetti for everyone, but since we're moving our standing meeting to the same day/time, we just might try this at Burton Barr.

This is worth repeating – we're moving the PI meeting from the fourth Thursday to the fourth Friday at 7PM. Most everyone interested seems to have a problem with 6:30 on Thursdays, and I'm hoping that Friday night will work out better. We also decided to scale back on our ambitions until we can get a real committee functioning and meeting regularly. We do have a few ideas, and I've attached a corresponding budget to this report. I'd like to attend WSLD, but I'm not convinced that it's prudent use of our funds, so I didn't include air travel or hotels for that event in the budget. It getting a little late to make travel arrangements for Hawaii in October anyway.

((hugs))

Robin
