Chair Report to PASC

Greetings fellow Members!

Today is my first chance to serve as your chairperson.

Thank you for your trust and confidence. Several members have contacted me since our last meeting, offering willingness to fill our vacant positions.

Having folks call me with area business is both amazing and humbling.

Please feel free to use my contact information; your comments and feedback is totally welcome.

Thank you for allowing me to serve Narcotics Anonymous

PASC Secretary's Report
September 12, 2009

Minutes went out on schedule with only one return. I apologize for the mis-dated Agenda and have brought copies of the corrected version. NAWS mail is on the table with the rest of the flyers.

The Public Information Chair and RCM1 advised they could not attend today and provided reports in advance. I will present the PI report and RCM2 will present the RCM1 report.

I brought the Guideline inserts which include the TSLD updated approved at last PASC. Version 17 of the Guidelines, which include the current updates, have been posted to the Arizona NA Website. I also finished re-formatting the Guidelines back into Word to standardize all headings and make the Table of Contents more legible.

I have submitted my Statement of Willingness to continue as Secretary for the Area, but the Guidelines prohibit me from serving past this term so please keep in mind that we will need a replacement next election.

My reimbursement request for August expenses is \$169.94, which includes update packets for the Guidelines, as well as full sets of the Guidelines for new GSRs.

In loving service,

Merry M, Secretary

RCM1 Report for September 13, 2009 PASC

Greetings to all!

My apologizes for not being able to attend. One of the things that Narcotics Anonymous has given me back is my family. My eldest sister is getting married for the first time at 57 years old. My trip has been planned considerably before I took on this commitment. I would not miss it for anything.

I attended the PASC Outreach subcommittee meeting, the PASC Helpline subcommittee meeting; as well as the ARSC Directories committee meeting. The first and the last were well attended with people stepping up for commitments. Alas, the Helpline was poorly attended once again, and could use any support. Perhaps some of the GSRs would like to get involved or maybe someone has sponsees (or sponsors for that matter) that would care to do the same.

I will be back in time to attend my first AZ Regional Service Committee meeting on September 20th.

Don't forget the Regional Assembly in Show Low on September 26th, 2009. Starts at 8 am. All GSR's should be attending; it is part of their commitment.

Flagstaff is having Surrender Under the Stars on October 2nd to 4th at Sunset Crater. It is a campout and it is a primitive location. I hear tell there are a couple of great speakers from the valley

Narathon Committee Chair Report
September 12, 2009

Hello:

On August 10th and August 24th the Narathon committee met to discuss Regular committee business. We used these two meeting as a way of determining the Status of all the Nartathon events and took some time to introduce our selves to each Other as a way of seeing what every ones interests are. I was encouraged by the turnout at both of these meetings (14 people on Aug. 10th and 11 people on Aug. 24th). I have received a report from the treasurer and all major events and locations are on course for the regular Narathon holiday season. Looking forward I am confident the Narathon committee will once again fulfill its primary purpose of offering an addict, any addict as safe place to spend the Holiday season.

Our next event is Rockin in the Rock III at south mountain park on Sunday October 11th. This music, food, speaker meeting, and fellowship event is free to all those attend. We will sell T-shirts, posters and meals as a way of raising money. Everyone is encouraged to attend!. Rockin in the rocks is one way the Narathon committee raises money in order to put on the best Narathon season possible. We will need your support to put this event on and your attendance to make it the best festival yet. I have brought flyers for the GSR's to take back to your home groups. If any one wishes to volunteer at the event please feel free to call/E-mail me @

Another fundraiser for the Narathon committee is the NA Cookbook!

The Cookbook will come out in early November just in time for the holiday season.

The hard working committee members were able to get 160 recipes from our fellowship
And our very excited about the artwork and the way it is turning out. Thank you for
helping to make this a success.

On a personal note I am looking forward to the growth opportunity that NA
service offers and would like to take this time to thank the hard working, dedicated
members of the Narathon committee for doing all the work that they do. Whether it be
finding a safe location for a holiday Narathon, working with vendors for T-shirts, Art
work for flyers and poster, Setting up events, working them, cooking food, or producing a
great New Years eve event; it is the experienced hard working members of the
committee that makes all these things possible. If you would like to join the committee
we next meet on Monday Sept 12th. At 23rd st/Jerry's restaurant @7:00pm. Again please
feel free to call me for future meeting dates.

Thank you for letting me be of service

Monthly Report

Good Afternoon fellow addicts,

I've been very busy with the work to be done by Outreach. I've been able to form a nice size committee. So in August we held our first sub-committee meeting. Elections were held for the other vacant positions on the committee. I'm more than happy to see addicts get involved and help support Outreach. In the month of August we set some goals and discussed idea of what we could do. Thanks to the previous chair and committee members. The major work of identifying meeting in need of support and been done. So in the month of August we have already visited one meeting (Monday Night Mayhem). Which that meeting can always use support from fellow NA members. They meet at 6pm 81st and Sunrise Circle. So for the month of September we've planned to visit two groups. There has been flyers made for the "Dinner and a Meeting." I passed these out at various meetings, functions and to other addicts. You might have even heard it announced in some meetings you attend. This is an idea we are planning to do once a month. Hope that you will join us one of these months. We have other visits planned in October and there will be upcoming flyers and announcements as well finally to all the GSR. Please let ~~the women~~ ^{the women} know from the women on your home group about a new women oriented meeting in need of support. Sunday 7pm Speaker Meeting. Also GSR. Pass on to your home group

The first meeting of the day in the Valley Woods
Support Mon - Sat 6am Crossroads 1632 E Flower St

Helpline Report 20090912

Hey family,

Looks like we received 697 helpline calls in August and 48 voicemail messages. The Accessline bill for August was \$91.13 and the September bill is \$90.97. The Qwest bill for Sept 4 through Oct 3 was \$58.46. We currently have our shifts filled, but we could use a volunteer or two for first half rollover. Ideally, these would be individuals that have experience on the helpline and the freedom to perform this service commitment 24 hours a day from Sunday through Tuesday.

We're looking for a new home for the meeting in the east valley for the next few months, since this is a tri-area helpline and we'd like more participation from the other areas. If we find a location, we'll make sure it's posted to the web site before we move. At some point later, we'll try to move the meeting to the west valley to see if we can get them involved.

We're making some changes to the training info, and we'll post it to Google Docs and share it when we've firmed it up. We'll probably start moving more and more of our docs up there to facilitate collaboration and viewing. This report was generated in Google Docs, and the attached minutes from the last meeting is posted there as well.

Feel free to call me with any questions. My number is

In loving service, Robin

Public Information Subcommittee Report - Sept 09

Our committee meeting was held Friday August 28, 2009 at 7PM at the Lux, 4404 N Central.

- We decided to proceed with reinstating an ad in the New Times. We will contact the other areas to solicit their participation and negotiate a better rate than we paid before with New Times. More will be revealed.
- Thank you to Robin & Rose for their diligence and commitment to establishing a presence for NA on Twitter. Social networking is becoming more and more popular and a great way for us to spread information about Narcotics Anonymous to the public – for FREE!
Rose has started tweeting for us. Search Twitter for NAPHXPI. In her tweets she will announce and encourage attendance at NA events. Get the helpline # out. Announce new literature. Report dates, times, and locations for NA Subcommittee meetings. And much more, as we think of it!
Remember NAPHXPI
- We have decided to begin formal training for presentations during our monthly committee meetings. We will review the Powerpoint presentation for formal presentations and develop some less complicated presentations for smaller audiences.
- Our meeting location, date, and time has changed. The PI Subcommittee now meets the first Saturday of the month (the same as Area) in the St Lukes Hospital cafeteria at 11:30 am. We welcome new committee members, come out and get involved. We need your support.
- We discussed in our meeting that we too often hear from addiction treatment and medical professionals, “those NA meetings don’t work, there is no long term recovery in NA, no one stays clean in NA”. As we all know – this is far from the truth. But the reality is that this is the perception of many. So, the lie is not dead yet. We, as a committee, are focusing our efforts on dispelling the lie and spreading the message “We do recover in NA”.

Please accept my apologies for not being present at the meeting today. When the meeting was rescheduled to accommodate the Labor Day holiday, I ran into a conflict in my schedule. I am in Santa Barbara at my niece’s wedding today. Couldn’t miss that!

I am excited about PI and optimistic that we can make a difference.

Humbly,
Karen Z
