**Phoenix Area Service Committee
Meeting Minutes for November 7, 2009**

The meeting was called to order by the Chair at 12:30 pm with the Serenity Prayer. The Service Prayer, 12 Concepts and the 12 Traditions were read. The GSRs approved last month's Minutes and the current month's Agenda. The PASC welcomed new GSRs and Alternate GSRs to the Area. Roll Call was taken and quorum established. The PASC is happy to welcome new meeting Progress Not Perfection, and welcome home New Hope Living Free, which was reinstated to the PASC roll call. Announcements at the meeting included upcoming events, with references to flyers and handouts.

The Chair, Vice Chair, Treasurer, Vice Treasurer, Secretary, RCM1, H&I, Narathon, Outreach, Helpline, Public Information and Activities Chairs were present and presented their reports. One request for open forum was heard.

Old Business addressed Idea #3 from October which had been tabled regarding re-joining Narathon. There was no group consensus, so a vote was taken and the Idea failed. Four new Ideas were presented, as follows: (1) by Literature Chair to discontinue rental of the storage cube (accepted); (2) by RCM2 to purchase copies of the CAR Report (accepted); (3) by Saturday Morning NA that subcommittee budgets be submitted in line-item format (accepted with compromise to use standard form); and (4) by Saturday Morning NA (withdrawn).

The Literature Chair presented his report, followed by the Treasurer's report and disbursement of funds.

The meeting was closed with the Serenity Prayer.

Report from the Chair to Phoenix Area Service Committee
November 7, 2009

Greetings fellow members

Since we meant last month, I attended two events. On October 11, I was at Rockin' in the Rocks. The event seemed well-attended and everyone I saw seemed to be having a good time—even the kids. Plenty of food, music and recovery to be had by all.

Last Sunday, I spent some time at North Mountain at the Newcomer Grill. Jerry, you and your committee are warriors! 12 hours of on-going food/meetings—not to mention the hours of preparation. I shared with one of my friends in Detroit that I was at a day-long Activity function to feed and honor our newcomers—he got so excited that he is going to promote the same thing in his home area. Love that.

Thank you for the opportunity to serve

PHOENIX AREA SERVICE COMMITTEE MEETING

VICE CHAIR REPORT

BOB

I went to the activities meeting on the 11th but no one was there. I called the chair and he informed me they were still helping out at rocking on the rocks.

It's good to see that our subcommittee's are helping each other.

Thanks for letting me be of service.

PASC Secretary's Report
November 7, 2009

Hi family. All went smoothly last month and minutes all went out on time with no returns.

My monthly expenses for October were \$131.31 for postage and copies.

I would like to request that I get written reports at PASC rather than emailing them to me. While I understand that circumstances sometimes happen so that you don't have a report ready for Area, it is becoming the norm rather than an exception. Getting the reports at Area helps me get the minutes out faster and prevents a pile-up in my email. Thanks for your understanding.

If your Group did not receive the NA Way Magazine and you filled out a group update form last month, have some patience. World is still processing. There are forms on the table for GSRs who did not complete one last month and would like to.

As always, if there is anything I can do to better serve the GSRs or any info you see wrong in the Minutes, please give me a call.

In loving service,

Merry M, Secretary

PASC RCM 1 Report 11/7/09

We have not had an ARSC meeting since our last PASC. *next one is 11/15*

Verde Valley Area had their Unity Day on October 17th, I was unable to attend but I understand that it was a success and well attended.

MACCNA (Mexico, California, Arizona Convention of Narcotics Anonymous) held 10/16-18 in Yuma was well attended and very successful. They had already met all their financial obligations prior to the convention.

Tonight, November 7th, Verde Valley will be having their Halloween Ball at Cottonwood Civic Center at 805 N Main St Cottonwood, AZ 86326. In my last report I had listed it being at Spook Hall in Jerome. The site has since changed.

The CAR or Conference Agenda Report will be coming out on November 25th. This is the agenda for the NA World Conference in April. The AZ Region will purchase a copy of the report for each area's RCMs. In the past this body has provided copies to the GSRs. There will be two Regional Assemblies, one tentatively on January 9th to go over the information in the CAR. The GSRs then take this information back to the Home Groups. The GSRs will then bring their Group's conscience back to the next Regional Assembly in March at the City of Grace church in Mesa to vote on the issues contained in the CAR. This is where our voice is heard. The RDA then takes the Regional conscience to the World Conference. This is very important. It is one of the GSR's responsibilities to attend these assemblies.

Remember to go online and fill out the 2009 membership survey at http://www.na.org/?ID=membership_survey_links.

PHOENIX AREA SERVICE COMMITTEE

P.O. BOX 34123

PHOENIX, ARIZONA 85067

Dear Fellow Members,

My apologies for not attending last months meeting. I was called away on a work emergency on my way to the ASC meeting.

The Conference Agenda Reports should be available by the end of this month. In order for every Group to have the opportunity to have a copy by the January Regional Assembly we should order them this month. You will also be able to down load it from the NAWS.org website for personal use. Downloading for your Group is possible however it is much more expensive to print out. A hard copy is necessary, for everyone to have an opportunity to participate in your Groups Conscience.

The Regional Forum is discussing a change in our fund flow. We are talking about going to an accrual style budget like the one we currently use in the Phoenix Area. If you would like to give us your input now would be the time.

In Loving Service,

Jim B.

Outreach
Monthly Report

Nov 7th 2009

Hello Fellow NA Members

October was quite an exhilarating month for me. There was Dinner and a Meeting, Yuma Convention, Yelloween and Nov 1st Newcomer Grill. Attending all these events was beneficial. I attended workshops, networked with members and as well enjoyed being there because of this I also gained more information about Outreach. I now have a better understanding of its function. I was also given a Handbook on Outreach. I learned things like the History of Outreach and why it's a Service Committee of NA. So through this new information. My goal is to learn how we can better serve the groups in our area.

The next 2 months committee we have some things planned. As I gain more solid concrete information, I will let the area know what we have planned. We are still aiming for making 2 meetings a month. Also I know that a few groups ran out of meetings lists. If that happens again if the GSR of the group can contact me. I will stop buying your group and bring you more before the next area. If there anything else your group needs from me or my committee please contact me with your concerns. We will do what we can to address your concerns.

Helpline Report 20091107

Hi everyone,

There were 643 calls and 54 voice-mail into the system in the month of October. We have our shifts filled, but we do need some help on Friday morning for the next three weeks, and there are volunteers with multiple shifts that could use some relief. The Qwest bill posted ~~September~~^{October} 4th was \$58.42 and the Accessline bill posted October 8th was \$90.67 for a total operating expense of \$149.09. This comes to \$49.70 per area.

We made a change to the number of rings for timeout before a call rolls over to the next tier hunt group. This seems to have improved our ability to handle the majority of calls, but we have some issues on phones that go to voice-mail before five rings. I know this is configurable for most home phone answering machines and some cell phone providers, and I'm still researching it and trying to aggregate a list of instructions for this later group to cover the major networks. Still working on validating the 12-step list, the message played to callers that leave a voice-message and training pamphlets. Also considering a subtle change to the implementation to hunt groups on Accessline to allow us to fill daily roll-over positions instead of requiring a 72 or 96 hour commitment, and I'd like to float the idea about carving the shifts into eight per day instead of four per day to allow people that would otherwise not be able to participate the chance to pick up a three hour shift. Initially, anyone with a six hour shift would have have two back-to-back three hour shifts, but we'd have the freedom of swapping either of these out as volunteers become available.

The next meeting is scheduled for 7PM on Tuesday 11/10 at Coffee Rush, 1555 N Gilbert Road in Gilbert. That's the SE corner of Gilbert and Baseline. Although we ask six months of clean-time to take a shift, there's no clean-time requirement to participate on the committee, so feel free to come on down and join us even if you're new.

Thanks for letting me be of service,

Robin

Public Information Subcommittee Report - Nov 09

- Our committee meeting was held Sunday Oct 25, 2009 at 5 pm at Unlimited Coffee, 741 E Glendale. We meet at this location the 4th Sunday of the month – come join us next month, we could use your support. We have plenty of great ideas about how to spread the message, but without bodies to do the footwork we are limited in our effectiveness.
- We are continuing discussions with the East Valley area PI chairperson regarding cost sharing the New Times ad. We have negotiated a larger ad, double the font size of our previous ad, run every other week for \$100 per week = \$2600 x ½ = \$1300. ~~Our budget allows \$1000 for this ad. I will likely be presenting the IBF proposal to increase this by \$422, to allow us to run this ad for a full year. I am in contact with the East Valley. More info on that.~~
- Rose, our committee member, continues to spread information about NA to the general public in the PI way on Twitter: NAPHXPI
The guidelines for this procedure are available to committee members this month on our NA google docs. We will approve these once they are reviewed by committee members.
- We presented NA to Grand Canyon University last month. We will participate in a health fair at Argosy University next week. We lacked one of the two volunteers needed to host this event, so our Regional PI Chair ^{committee member} Greg W – has volunteered to accompany Robin at the event and provide the materials for a professional display and information booth.
- Future project ideas include
 1. Deliver meeting lists to:
 - Community colleges
 - TASC
 - Gifts Anon
 - Pain management docs
 2. Get a skirt for table, banner, maybe a rug too. Business cards, card holder to create a professional information & display table for functions.
 3. Get NA posters in treatment centers.
- Reminder, our meeting location, date, and time: The fourth Sunday of the month at 5pm at Unlimited Coffee. 741 E Glendale Ave.

Humbly,
Karen Z
