WVASCNA Chair Report 7/17/2010

Good morning, family.

Thank you everyone for allowing me to serve as your Area Chair for the previous two years. I have learned much humility and received a great deal of help from my Higher Power for which I am grateful. I am also extremely grateful for the help I have been given by everyone in this room and those who I have served with during this time who are not here today.

Over this time we have practiced consensus-based decision making learning how inviting a Higher Power to influence our decision-making process serves to make the Area stronger giving everyone who chooses the opportunity to participate and speak from the heart about the issues that affect us.

I have learned that we, as a group conscious, are far more decisive, intelligent, and compassionate than any one individual.

And, I believe that the West Valley Area of Narcotics Anonymous will continue to grow in the ability to extend the message of recovery to addicts seeking help; that no one need ever die from the horrors of addiction.

This opportunity for service to the West Valley Area has meant more to me than I can ever express. Thank you again, everyone.

In love and service,

Jamey Lynne B.

Secretary's Report for July 17, 2010

Happy July people, we spent \$86.57 this month on Minutes, I made a total of 866 copies including copies of forms kept on hand at Area which comes up to \$51.96 @ \$.06 a page, and we spent \$26.88 in mailing fees and \$2.98 in envelope supplies. I will be printing a Secretary's budget for this last year with an estimated budget for next with my report next month which will be my last Area attendance as your Secretary. It does finish my current service commitment and it marks almost 6 years of service done at the WVASCNA by me and I feel I need to move on for a while. I ma sure I will be back cause I have no intention of giving up service and as I am going tomorrow to Region to ask to be the regional secretary I am not going very far just expanding my horizons. I am very grateful for all the lessons I have learned from all of the people who have been of service to this Area over the last almost 8 years I have been attending the ASC and I hope I will put all principles and practices into good use at the regional level. I will also have an inventory and will make arrangements to store the archives and equipment etc. In our new storage facility at the end of August Area. I will be available for the incoming Secretary if they need guidance. In Loving and Grateful Service.

This should be my ^{next to} last report as Chair of activities. I have had a wonderful time. I have learned so much. The committee is the best, they helped me to grow and gave me room to learn. The good news is that we have a statement of willingness for the next chair and they have some great ideas and plans, should be a good time

ANGELA S

PUBLIC INFORMATION SUBCOMMITTEE REPORT
JULY 2010

Your West Valley P I Subcommittee did not meet for the month of July due to the holiday. But we continue to carry out OUR Primary Purpose. WE have thus far hung Over 150 Posters at locations suggestion in The Public Information Resource Guide Handbook. Here are some of the other projects we are working on.

WE would like the GSR'S to go back to the home groups and ask them to vote on the following issues.

West Valley Public Information would like permission to embark in a Tri-Area Digital Billboard Campaign with the Phoenix Area, and The East Valley Area. Both of the other areas are taking this request to their respective members for a vote. If WE have the support of the fellowship we will be reaching addicts along the highways of the city.

The costs and details are included in this report. What we cannot do alone we can do together. This Tri Area Venture was constructed in the spirit of UNITY and WE feel this alternative ad campaign will reach more addicts than any previous endeavor.

WE also would like the fellowship to consider a radio campaign that will also be targeted at addicts during the hours of 12 midnight, and 5am. WE will be reading the words on our posters; IF you want to use that's your business if you want to stop that is OUR business. With the number of the HOTLINE included the message will be aired on Spanish radio stations also.

We would also like to announce the formation of a radio discussion panel on that would air in August. It will be on the history of NA and how it we as a fellowship are changing lives. More will be revealed as to the air times.

We hope that we can get the support to move forward so we can continue to carry the message to Addicts who have never heard this life saving message of RECOVERY

Yours in service

Newsletter Report

Hello Family!

This month's edition is ready to go. Our committee could still use a vice-chair and an information coordinator. Otherwise, there's not a whole lot to report.

I will be submitting a Statement of Willingness for a second term. This has been a really good commitment for me, and I'd like to continue to be of service.

Just a reminder, there a total of forty copies. That means that there ~~is~~ are ~~one~~ two copies for each homegroup, and one for each administrative board member and sub-committee chair. Please feel free to make copies for your homegroup.

If you have any questions or would like to be a part of the sub-committee, let me know. My contact information is in the newsletter, on the contact list, and in this report.

Thanks for letting me be of service!

Shannon B.

Helpline 20100703

Hey everyone,

We had 628 call in the month of June with 45 voicemails. The Accessline bill was \$93.28 and the Qwest bill was \$59.08 for a total of \$152.36 or \$50.79 per area.

Angela has been actively vetting new volunteers and putting them on shifts, but attrition is taking its toll as we appear to be losing folks faster than we're adding new ones. Looks like we could currently use primary shift volunteers on Sunday evening, Monday afternoon and evening, Tuesday afternoon, Friday morning, and Saturday morning. We also have room for more roll-over volunteers throughout the week.

There was some concern that calls weren't being routed correctly on Tuesday mornings, so I did some testing. It's working as expected. Took a look at the call history, and we're just not getting calls on Tuesday mornings any more. Not sure whats up with that.

I think we may have a volunteer to manage the 12-step list. Karen Z sees it as an important resource in our service to the community, and has expressed an interest in taking it on as our PR liaison when she's replaced as PR chairperson.

Our next meeting is at 7PM on Tuesday, July 13th at the Next Coffee Company on the corner of Utopia and 59th Avenue. As always, we'd love to see you there.

I want to thank the area for letting me be of service over the past year. I especially want to thank all the volunteers that make it this possible. You've really been great, and your dedication is an inspiration.

Thank you.

Cheers.....

Robin

STATEMENT OF WILLINGNESS AND QUALIFICATION

Before completing your West Valley Area Service Committee resume form, we would like to let you know a little more about service at the area level.

The position that you have volunteered for or have been nominated for will require you to make a commitment of at least one (1) year. This means that you may be asked to make a considerable investment of your time and you will certainly have tasks to do at home in your spare time such as; writing reports and discussing plans and objectives of your service work.

As well as attending your Sub-Committee meetings, Sub-Committee Chairpersons are expected to attend the WVASC meeting each month. All members are expected to STAY until the CLOSE of the WVASC meeting, sometimes as long as three hours. In order to provide our fellowship with the very best service possible, we ask you to consider carefully the responsibilities that go with the elected position for which you are nominated. You may wish to consult with your family or your sponsor.
