WHAT: Final Report from the Chair

To: Phoenix Area Service Committee of NA

From: Lee Zinsky

Greetings, Fellow Members!

First, thank you for your support and the opportunity to work my Program through Service. I am grateful for all that I learned and experienced with you this year.

Today, our business will include (quorum granting) elections and the installation of new Trusted Servants. Part of that process, according to p. 42 (revised) of our guidelines includes the Area Audit. This audit is required to occur between the July and September ASC meeting and requires both incoming and out-going Chair, Vice Chair, Treasurer and Vice-Treasurers to be present. We will need to arrange this prior to separating today. Subcommittee chairs, please note how each of your committees needs to prepare for this.

Thank you, thank you

Lee

PASC Secretary's Report
August 7, 2010

Well family, the day is finally here, my last day as your secretary. According to the guidelines I can no longer serve in this position as of today. I have brought the bag and supplies, as well as the thumb drive with all the archived records and will be leaving it behind with our new secretary (hopefully) or with the Chair at the end of the meeting. Of course I will help whoever steps into the position to get your minutes out and will always be available for questions.

The minutes went out fairly early this month, thanks to everyone getting their reports in quickly. As usual, if your group has any mail, including returned minutes, they are on the table with the flyers. My expenses for the month were \$145.20, which included buying some envelopes.

That about sums it up. Thank you for letting me serve, it has been an honor and a privilege.

Merry M, Your Secretary

Public Information Subcommittee Report - August 7, 2010

The PI Committee seems to be in a bit of a holding pattern waiting to take action with the law enforcement and hospital connections we have made. It is summer, and things just seem to slow down everywhere. We anticipate hearing from these representatives soon, and working with them to help addicts find NA.

During our meeting we took a collaborative look at the PR Powerpoint presentation (as developed by WSO) and will continue to work as a group to update it.

We want to remind you that NA is on Twitter @PhoenixAzNA. You can request a message goes out on Twitter (about your event, subcommittee, meeting, etc) by emailing phoenixazna@gmail.com.

Hopefully we will have met quorum today and be able to proceed with electing a new PI Committee chairperson. Nancy G, the PI committee vice chair has submitted her letter of willingness for this position. The PI committee unanimously supports her as our new chair.

And, hopefully our Idea passed and we are now called PR!

Our next PR meeting will be held on ~~Sunday August 29~~, at 5pm at Paradise Bakery on the southwest corner of 12 St & Glendale. Please join us!

In service,
Karen Z.

Narathon Committee Chairperson Report

Hello Phoenix Area:

The Narathon Committee is still considering weather or not to put on an October fundraiser somewhat like Rockin in the Rocks. As I have reported the South Mountain Park is not available. We will be making the final decision on an October event at our next meeting. I will inform the area next month of what that decision is!

We continue to sell our merchandise around the valley:

We still have t-shirts/bumper stickers/ and wrist bands for sale! Please see Trent or myself to make arrangements to buy some ☺

The Narathon Committee has adjusted its meeting time:

We now meet at 7:30!!

We still meet @ Jerry's Restaurant located on 23rd st and Thomas on the 2nd and 4th Monday of every month! Our next meeting is this Monday night☺

As promised whenever committee members handle cash or merchandise we have them sign financial statements of responsibility attached are those statement signed by our newest committee members and others who still needed to sign one!

*Please find our most recent financial statement attached to this report

Thank you for letting me be of service,

Outreach Report

8/7/2010

Hello Family

Well my term as your Outreach Chair has come to an end. So first I'd like to say it's been a real pleasure to have served the Phoenix Area as Outreach chair. What I gained from this experience is the want to continue to be of service to the fellowship. Thank you for giving me the opportunity to learn and grow through service.

Last month and this month we will be wrapping up our final things with the Committee. I think we all learned from this experience. The guys that were involved in Outreach have shown commitment and integrity. It's been great to be apart of that. So now what I have learned I will be taking with me. To my next or any future service commitments. I hope that the next Outreach chair learns what I did. I was truly blessed with help and support I got during my commitment. Thanks to all those addicts that helped me to make this a wonderful experience.

In Loving Service
Paul W.

Helpline Report 20100807

There were 668 calls and 48 voicemail handled by the helpline in the month of July. The Accessline bill was \$94.89 and the Qwest bill was \$58.98 for a total of \$153.87, or \$51.29 per area.

We had a meeting this week to talk about the transition and the latest info from Accessline about expanding our menu structure and hunt groups to allow for shorter shifts. We've agreed to purchase another SmartOffice for testing, but the hope is that we may not need to carry two instances indefinitely. We're still waiting for specs from Accessline, but they've apparently revised their offering and they *may* be able to handle our needs with a single instance. For the interim, the expansion to a second SmartOffice was approved by all three areas, so we have the freedom to build out a new system and test it. We also have a document that details setting up the menu recordings en mass, so we'll add our new greeting on the second system, and if all goes well, just switch over with remote call forwarding from Qwest. We also batted around some ideas about pulling all our spreadsheets into a database front-ended with a content management web site. There's definitely an opportunity there.

As always, it's been a pleasure to serve you. Please extend the same wonderful support to your new chairperson in the coming year. Thanks...

Robin
