We will be going to the Service workshop next weekend in Dallas Texas. This will allow us to give the fellowship more information that we got at the WSC2010.

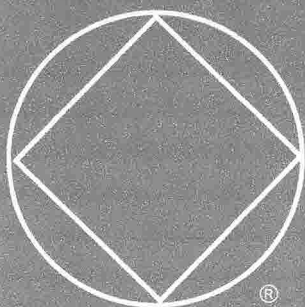

Meet with Damon from Verdi Valley on the Assembly in October.

We need to see you the RCM's and all the GSR's at the October Assembly the 9<sup>th</sup> in Cottonwood.

Do not forget MACNA the next weekend down in YUMA.

These five workshops will cover basically the same information. Workshops will begin Friday at 6 pm and end around 1 pm on Sunday.

Areas and regions are encouraged to try to fund as many **CURRENT AND PAST TRUSTED SERVANTS** as possible.

These experienced members are **ESSENTIAL PARTNERS** in evolving ideas and forwarding the work.

## NA WORLD SERVICES SERVICE SYSTEM WORKSHOPS

This project grew from the need to find solutions to our age-old service problems (apathy, communication breakdown, difficulty delivering basic services, etc.) so that we can do a better job of carrying the NA message.

- ❖ How can we improve our current service system to better serve our groups and carry the message to the addict who still suffers?
- ❖ We've been developing possible alternatives to our current structure, and we need your ideas and input.

This is a project for ALL NA members!  
Please participate by joining us at one of these workshops.

# AN INTRODUCTION TO THE SERVICE SYSTEM PROJECT

For years we have struggled with the same challenges throughout the service structure: apathy, disunity, communication problems, difficulties with our public image, and struggles to deliver basic services. The service system project was created, and unanimously adopted at the World Service Conference, to solve some of these ongoing problems.

We—world services together with interested members of the fellowship—are trying to design alternatives to our current service system—ways to more effectively serve the groups & better reach the addict who still suffers. So far, we have created *A Vision for NA Service*, which was adopted at WSC 2010. With that shared vision in mind, we are talking about possible structural changes to our service system. This is a conversation we need to have worldwide throughout Narcotics Anonymous.

Some things we are doing to help generate discussion:

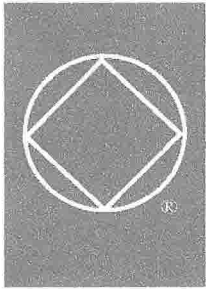

- ❖ We will be holding five US workshops—information on the back of this flier or at [www.na.org/servicesystem](http://www.na.org/servicesystem)
- ❖ We have formed a discussion board open to all members for discussion of the project: [www.na.org/servicesystem](http://www.na.org/servicesystem)
- ❖ We have devoted a webpage to the project where we are posting all proposals, project updates, and workshop tools in one central location. On the service system page you will find:
  - ◆ A Vision for NA Service
  - ◆ Project updates and background
  - ◆ A link to the discussion board
  - ◆ The proposals for structural change
  - ◆ PowerPoints
  - ◆ Session profiles
  - ◆ Other workshop tools
- ❖ We have posted a form for input on the proposals. We welcome your thoughts at any time, but input specifically about these first draft proposals is due by 31 December 2010. Access the form at [www.na.org/servicesystem](http://www.na.org/servicesystem).

**Service System Project info & materials:**  
[www.na.org/servicesystem](http://www.na.org/servicesystem)

### **SERVICE SYSTEM**

The system we use to deliver services. The service system can be broken down into four components: structure, processes, people, and resources.

### **SERVICE SYSTEM PROJECT**

A four-year project designed to create ideas for improvements to our current system.

### **HOLISTIC**

Holistic refers to examining the whole service system and how it works together, rather than just individual parts of it.

### **GROUP SUPPORT UNIT (GSU)**

The GSU is devoted to group needs and concerned with very limited or perhaps no other service provision than helping our groups better carry the message. The GSU could also provide a place where members can be introduced to NA service in a safe and nurturing environment.

### **DELEGATION STREAM**

The delegation stream is what connects the group to the LSU, the LSU to the state/national/province service body, and the state/national/province service body to the WSC. Resources and information flow back and forth across the delegation stream, and it allows for services to be accountable to groups.

### **GROUP SUPPORT UNIT – LINEAR OPTION**

In this option the group sends a delegate to the GSU, and the GSU sends a delegate to the LSU on behalf of its member groups.

### **GROUP SUPPORT UNIT – TWO TRACK OPTION**

In this option there are two “tracks” for local service, one for delegation, and another for group support. The GSU has the sole purpose of supporting groups, and each group sends a delegate to the LSU directly.

## LOCAL SERVICE UNIT (LSU)

This unit is meant to provide the bulk of local services. It is plan-driven and corresponds roughly to some externally recognizable boundaries to simplify service provision and interactivity with the public. LSUs send delegates to the state/national/province service body.

## PLAN-DRIVEN

A plan-driven body uses a strategic process to decide what services are needed and what to prioritize. Generally work is carried out through projects and workgroups rather than standing committees.

## ANNUAL PLANNING ASSEMBLY

This is an optional gathering of all of the local service components to plan services for the cycle ahead, providing an opportunity for groups to oversee and approve services.

## INTERMEDIATE BODY

Intermediate bodies are formed when needed due to density, distance, language, or other factors. They allow the service system to be flexible enough to expand when necessary, and are positioned between the existing service bodies.

## STATE, NATIONAL, PROVINCE SERVICE BODY

This body will generally correspond to commonly understood external boundaries such as state, country, or province. It will only be responsible for services conducted on a state-, country-, or province-wide basis. Examples of this type of service include PR work with state-wide educational, medical, and correctional services.

## STATE, NATIONAL, PROVINCE SEATING

In this option, delegates to the WSC come from the state, national, or province service bodies. Several smaller states, provinces, or countries may come together to send a single delegate to the WSC on their behalf.

## ZONAL SEATING

In this option, delegates to the WSC come from the zones. The zone in this option consists of a gathering of delegates from state, country, or province service bodies within boundaries defined by the WSC.

## ZONE

A zone is a gathering of delegates from state, country, or province service bodies.

## WORLD SERVICE CONFERENCE

The WSC is the gathering of delegates from all around the world to further the common welfare of NA.

## Regional Activities Coordinator

### Report

September 19, 2010

Hello Family,

As this is my first report and there really is not that much happening this will be a very short report and I know how much all of you like short reports. The web dude and I are in the process of setting up my computer for the web calendar. We have not finished it yet.

I am in the building stage of this position and I have spoke to the RCM's today about what I feel would be the right way to handle incoming activities around this beautiful state.

There are really no guidelines in place as to what is required of this position. Here is what our guidelines state as to this position:

Plans and coordinates Regional Activities as requested, and act as a resource for the areas within the Arizona Region. The committee may consist of a Chairperson, Vice-chairperson, Secretary, and any other interested members of the fellowship. The activity coordinator will produce an annual calendar identifying the Area and Regional Activities within the Arizona Region.

Activities: Acts as a resource to the Areas, Groups, and Individual Members in their efforts to plan and coordinate activities throughout the Region. The activity coordinator is bound by a separate set of guidelines located in Section XXXI.

When you go into the guidelines for this Region there is nothing under Section XXXI. I am in need of some help here.

DC YTD  
Introduction Letter to the Areas  
Budget for 2010 / 2011

**ARIZONA REGION of NARCOTICS ANONYMOUS**  
**PLEASE READ AT YOUR AREA'S BUSINESS MEETING**

Greetings, I'd like to introduce myself as the newly elected Chair for the Meeting Directory Subcommittee. If I had the resources and a few less kids I would personally visit every Areas business meeting and personally read this letter and answer any questions.

Our Subcommittee is responsible for making all the changes to our Arizona Website along with the printed Directory. I have worked diligently this last year on updating the website. I can now say with great certainty that the Website contains the most up to date meeting information that is available. I try to make the changes that I receive within 24 hours to the website.

I have been to several different meetings over the past few months's and discovered many outdated meeting lists on hand. The printed directory has many changes that take place between printings. I believe it is imperative that addicts have the most current information available to attend meetings. I know from personal experience my first year of being clean how disappointing it was to go to a meeting only to find the doors locked, or no one having a clue about a meeting ever having been there. Just last month, there were about 20 changes that took place between May and July. One of the meetings I went to had Novembers meeting list on the table to pick up. There have been well over 100 changes that have taken place since last November. Please make sure your home group has the most up to date meeting lists to pass out...

On the topic of changes. The RCM I's are the single point of accountability for most of the Areas. I will not make any changes to the Website or the Meeting Directory unless it is approved and sent to me from the RCM's. I know the East Valley requires that the "Arizona NA Regional Meeting ADD/ UPDATE Form" be filled out and sent to your RCM I. This form will always be included along with my report. This might sound like a long winded procedure... yet I believe it is imperative for the validation process.

Want to join this exciting and valuable Committee. If things weren't confusing enough... We meet on the Even number months on the third Saturday at 5:30 at 4220 N. 7th Ave at the Copper State Coffee Shop. Our next meeting is on September 16<sup>th</sup>.

In Loving Service,

Wildbill  
Meeting Directory Subcommittee Chair

It's been a rewarding two months. Robert S. has re-joined our committee. Robert holds the Webservant Alternate position and plans to seek appointment as Webservant sometime next year. As well, Mike M., our Regional Activities chair, has joined the web team and will be taking over the calendar updating as soon as we get him a faster internet connection. And finally, Leslea J. from the Southeast Area has joined our committee. We plan to have Leslea pro-actively seek out information about service meetings and service positions available. Historically, our committee has not had the resources to hunt down information about events of any kind or positions available, and have relied on the subcommittees to provide that information. Now we can have a person responsible for maintaining a contact list for service meetings we post, and seeing to it that the information on our website remains current and relevant.

As stated in our guidelines, the Web Page Work Group is accountable to NA Fellowship through the Arizona Regional Public Relations Committee. Soon I will be submitting an idea to Region about detaching the Web committee from under the PR umbrella. We on the committee understand that at one time this service arrangement made sense, as originally the website was seen as our "public" face, and thusly a tool for our public information or public relations committee. However, in reality, the site is not used in this way. In fact, there is no section of our site that represents PR. Our customers are addicts, and our committee serves them by providing information about meetings, fun-in-recovery events, and service. We welcome the addition of a section of our site devoted to serving recovery professionals and media, but even when that occurs we are sure that the bulk of the site will serve us, the addicts. We also feel that the current arrangement creates a sort of dual point of accountability, with no other reason other than it's the way it's always been done. We look forward to reporting to and directly serving the Arizona Region. Upon looking at the guidelines, I see that the changes can be done quite easily without major re-modification of the guidelines. So please take this under consideration and RCMs please take this concept back to your areas for consideration ahead of the upcoming idea. The idea will be submitted with complete and detailed suggested revisions for the guidelines.

As always, please encourage your service bodies to send their events, service meeting information, documents and forms, and service position availability to [Webservant@Arizona-NA.org](mailto:Webservant@Arizona-NA.org). As well, please invite any addict you know to join the committee; they can get in touch with me at the same email address. Basic HTML editing skill are suggested, more specialized and advanced web knowledge would be appreciated. Please send meeting list changes to [Meetinglist@Arizona-NA.org](mailto:Meetinglist@Arizona-NA.org)

## H:I CHAIR REPORT

Hello All,

WE HAD A GREAT TURN OUT @ H:I TODAY.  
WE GOT A TON OF BUSINESS DONE. WE WERE ABLE TO  
MATCH-UP 4 INMATES w/ SPONSORS FOR THE "SPONSORSHIP  
BETTING THE WALLS" PROGRAM. WE STILL COULD USE WOMEN  
SPONSORS SO PLEASE LET YOUR AREAS KNOW.

WE HAVE ALWAYS HAD A CHAIR, VICE-CHAIR AND SECRETARY  
BUT I AM PLEASED TO ANNOUNCE THAT THEY ARE NOT  
ALL NAMED JOEY AS OF TODAY!!!

VICE-CHAIR - MIKE B.

SECRETARY - BARBARA M.

SPONSORSHIP BETTING THE WALLS COORDINATOR - WENDY J.

THANKS TO JASON S. FOR WORKING SO HARD AND DOING  
SUCH A GREAT JOB GETTING THIS PROGRAM UP AND RUNNING.

THE H:I SUBCOMMITTEE HAS ASKED ME TO ASK THE RCM'S  
IF THEY WOULD BE WILLING TO SWITCH ROOMS WITH US. OUR  
COMMITTEE IS GROWING AND OUR MEETING IS TAKING A LITTLE LONGER.

I WILL NOT BE ATTENDING WSLD THIS YEAR DUE TO  
SCHEDULING CONFLICTS. H:I WILL ALSO NOT NEED TO MAKE A LITERATURE  
ORDER THIS MONTH.

THANK YOU FOR ALLOWING ME TO SERVE!

**ARIZONA REGIONAL SERVICE COMMITTEE**

P.O. BOX 1351  
PHOENIX, ARIZONA 85001

Hello All,

I would like to start by apologizing for my being unavailable to many of you that asked for my help over the last two months. I've been dealing with the death of one of the people I sponsor, and even though I knew his passing was a possibility. It happened much more abruptly than either of us expected.

The reason I originally accepted the Literature Review Chairpersons position was because the position was not getting filled and we had an important piece of literature coming up that required our Regions input and involvement. The first thing I attempted to do was to put together a committee. I was able to get local involvement for a while but when it came time to do workshops outside of my Area I was pretty much on my own. Because of the importance of the "Living Clean the Journey Continues" project I felt getting the information out in the form of workshops would gain us the most input in the short time we had available to us. Now we have reached the point where direct input on this piece is over. The next phase will be concerned with reviewing the finished chapters and making changes or a decision on whether we accept them as is. I am not sure what method will be used by World to do this. They have used something different for every book we have developed.

What I am sure of is that we will continue to have new literature in NA that requires input or revision, and if we don't want to be caught asking ourselves "Why didn't I get to see this before it came out for approval?" We will need to recreate real Literature Committees at the Area level. I know I am bringing this up at a time that we are having serious problems with getting anyone to fill the positions we already have. So I am willing to offer a solution that doesn't require creation of a new committee, just modification of an an existing committee.

Our current Area Literature Committees are being used only for the purchasing and distribution of Literature in our Areas. where they could almost as easily obtain, review, and if needed hold workshops and provide input on new pieces. If your Area currently has a newsletter or has provisions for one in its Guidelines putting it under your Literature Committee also helps insure continuity. People attracted to newsletters are great for working on literature projects. It doesn't have to be big to be effective. But if we want to be a part of upcoming projects like The Traditions Working Guide, we need to create the means to do it. If your Area currently has a Literature Committee please have them email me with their information

Because of how spread out our Region is, I believe Area Literature Committees is the best way to go right now, with continued support from the Region in the form of workshops.

Happy Writing,  
Jim B.

Region report since July:

Region participated in South Western Behavioral Health Conference in Tucson last month, per their areas request and it was a large success.

It was also PR Regions great pleasure to help with the E,W,and Phx Areas PSA, they did a great job.

Budget for region is complete and has been turned into Region by Greg W.

PR literature order is in and is currently being stored at Greg W. home until election today.

Again my apologies to the Region for PR's absents at May and Julys Region meetings

Out of pocket expenses for PR region is round trip mileage to Yuma for previous TSLD and 2 round trip miles for Tucson for their areas SWBHC booth.

Thank you for allowing me this opportunity to be of service.

EVANA

Greetings,

At our August ASC we did not ds-band the East Valley Area and in fact by the September ASC we have filled all of our positions with the exception of Outreach Chair and Newsletter Chair.

H&I reports that all of our meetings are covered.

PR reports that they are reaching out to West Valley, Phoenix and So. Central to see how much interest there is in a billboard campaign as West Valley has expressed that they will no longer participate in the New Times Ad.

Upcoming events: EV Activities will hike Horton Creek near Payson on September 25. Meet at Evergreen Park, 5<sup>th</sup> St. and County Club at 9:15am to carpool or the Dairy <sup>Chairing</sup> Queen in Payson at 11:00am or the trailhead at 12noon,. East Valley will be ~~hosting~~ the annual Nalloween Masquerade Dance on October 30, American Evangelical Church, 1830 W. Glenrosa, speaker meeting stats at 7pm. A.J.N.A. Cookout/Hike/Fire, November 20, flyers on the table.

We did fund the H&I and PR Chairs expenses to the WSLD and are currently under prudent reserve. Checks were turned in to the treasurer totaling \$378.00 for 2 cycles of meeting lists.

In Loving Service

RCM II report ~~Phoenix~~ Peaks  
September 2010

Dear ARSC,

I will be joining you as RCM II for the 2010/2011 year. I regret that I could not start this regional meeting but my daughter is undergoing a surgical procedure and I have gone to be with her. I will join you next region.

I attended PASC on September 3. The new Area chair started his term without a Vice Chair or Secretary. There is currently a resume in for Vice Chair but that member did not attend the Area meeting. It is anticipated that the election for vice chair will take place in the October PASC. WE are currently looking for an Outreach Chair as well. All other PASC committee Chairperson positions have been filled. The new Activities Chair is anxious to start with events. I am sending the flyers to you for Sports Day, Nov. 6<sup>th</sup> at Encanto here in Phoenix. The event will also be posted on the web site. The Narathon Committee regretted to inform the body that there will be no "Rockin' in the Rocks" this year. The committee was unable to secure the facility at South Mountain.

A check for \$516.85 is being donated to the ARSC.

Again I look forward to serving with you and I will see you in November.

In loving service

RCM 1 from Phoenix for Arizona Regional Service Committee 9/19/10

Two donation checks, one in the amount of \$545.15 and one for \$516.85

**South Central Area Report**  
**September 19, 2010**

Greetings to the Arizona Region from the South Central Area of NA.

Some things happening in our Area:

- Next Eatin Meeting, 10/02/10. 630pm Meeting, dinner immediately follows, Fall Harvest Festival Theme, bring your appetite. And chow.
- November 13, H&I BBQ, Volleyball, etc. Dave White Park, Casa Grande, 2p-6p
- We have some Nalloween Flyers
- Our Area is dealing with revising guidelines
- We are growing our literature stockpile
- We have been regular outreach to the Globe, AZ Group
- We decided to donate to Region 20% of our Group donations
- Our H&I committee needs help. We have 5 people on H&I and 30 prison units. I brought an application to get in to the county jail, we've had to cut back on what we do there due to a shortage of volunteers; if anyone could commit, I'll give you the application.
- The New Beginnings Group, with a meeting 7 nights a week the largest meeting in the Area, has been forced to seek new meeting location. Sort of a sad but hopefully exciting development. They are scrambling for a location and being open to change moving forward.

Thanks

Rick

WE DONATED \$23.30 as our 20%  
\$20.00 TO COVER MEETING LISTS.

Hello family,

Things are going good in the Verde Valley. Our Unity Day camp out went well. Had lots of fun and fellowship, had well over 50 addicts show. We are having a Halloween activity up in Jerome at Spook Hall on the 23<sup>rd</sup>. don't have fliers yet, but we are working on them and we will have this event on our website soon, [www.vvana.info](http://www.vvana.info). Our meetings could always use some support so if you are up in the area stop in. We do have a new women's meeting on Sunday from 4:30-5:30 at the Jewell House in Camp Verde, Sisters in Recovery (Living Just For Today) is a step study meeting and is going great. The Fall Regional Assembly is coming up soon, really hopeful to see everyone there. I personally as an RCM have been really spreading the word about how important this assembly is. Plus we will have some good food. We are putting together a Mexican style feast. So come up on October 9<sup>th</sup> and spend the day with us in the beautiful Verde Valley. There is also a really good speaker meeting that night right down the road. We are donating \$150.00 to region.

Thanks for letting me be of service.

## **West Valley ASC Report to AzRSC 09/10**

**Hi Family;**

**It is my privilege, today, to sit in as the representative for WVASC. We're proud to say, "It's business as usual." Everyone is doing their best with what they've got to stick to our Primary Purpose. Last month elections were held and we're filling leftover slots slowly. This month most budgets were approved, and some were sent back for a bit of 'tweaking.'**

**Got no names to drop, or egos to stroke, but I must mention the cooperation we have had in making our Area newsletter a success. Its purpose is to announce open WV Area positions on all levels, as well as subcommittee meetings times & locations. They also list most upcoming events to get the word out to educate & have fun in recovery.**

Yavapai Area Service Committee

RCM Report

September ~~18~~<sup>19</sup> 2010

The Yavapai Area is doing well. Addicts are staying clean and the NA message is being carried.

We will hold elections for all of our Area trusted servants in December. There is an immediate opening for an Area PR chair and an RCM.2.

Our H&I committee struggles to meet the needs of our community with limited resources. The number of recovering addicts who have been cleared to go into the different facilities is not sufficient to meet the needs of addicts in the jails, treatment centers, extended care facilities, and halfway houses in our Area. Scheduling conflicts have further limited the resources that we have available in some cases. (Addicts are not able to attend panel meetings that conflict with their work schedules.)

Our Unity Day campout at Granite Basin, which was co-sponsored by the Verde Valley Area, was enjoyed by all in attendance. We would like to thank the addicts who worked together to coordinate the event and make it a success. We would also like to thank our speakers for sharing their experience, strength, and hope.

We are trying to find ways to get more addicts, especially newcomers, involved in our events. We are trying to schedule events that can be attended by addicts with limited financial resources, facility restrictions, and/or transportation issues. The Yavapai Area is sponsoring a pancake breakfast from 8-11 AM on Saturday, October 16, 2010 at the Prescott United Methodist Church ( 505 W. Gurley Street Prescott, AZ). Donations will be accepted.

The Yavapai Area will hold a Trusted Servants' Learning Day on Saturday, October 23, 2010 in the Mackin Building at the Prescott rodeo grounds (840 Rodeo Drive Prescott, AZ). It will begin at 10:00 AM. We encourage all addicts who are interested in doing NA service work to attend.

*We have a \$307 donation for Region.*

Thank you for letting me be of service.

Together in NA,

Vickie W.

# STATEMENT OF WILLINGNESS AND QUALIFICATION

Before completing your ARSC resume form, we would like to let you know a little more about service at the Regional level.

The position that you have been nominated for: will require you to make a commitment of at least one year. This means that you may be asked to make a considerable investment of your time. Certainly you will have tasks to do at home in your spare time, such as writing reports and discussing plans and objectives of your service work.

As well as attending your Sub-committee meetings, Sub-committee Chairpersons are expected to attend the ARSC meeting every two months. ASRs, ASR Alternates and ARSC officers are expected to attend the ARSC meeting every two months. All members are expected to stay until the close of the ARSC meeting, sometimes as long as seven hours. In order to provide our fellowship with the very best service possible, we ask you to consider carefully the responsibilities that go with the elected position for which you may be nominated. You may wish to consult your family and or your sponsor.
