REGIONAL CHAIR REPORT
MAY 2011

Hello Family it's great to see you all here.

As some of you may know we have lost our Secretary, I would like to thank Angie for the work she did for us.

My job has once again has taken me out of state. I have to leave here by 3 today to drive back to El Paso to get ready for work. I would like to thank the Vice-Chair Bethany and RD Ken for helping to take care of the mail box key situation. I understand that we should have one soon if not already.

I have brought my resume and wish to run for your Chair again. My work out of state will be done in a couple of weeks so that will not be an issue. We'll have at least one resume turned in today for the secretary position for the next term.

That's all I have for you today!

Thanks for allowing me to be of service,
Cliff S.

Vice Chair Report ARSC

Hi, just a few items worked this past interval:

— Mail box key

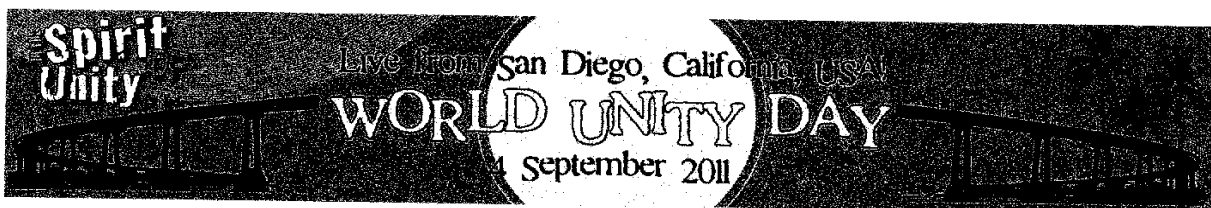

- Greg W committed to following thru with the Post Office. As by this writing no key has been secured because of Post Office process. Greg stated he will continue with the effort of obtaining an additional key for ARSC Executive committee

— - Created some ARSC BOD letterhead samples and submitted for them to do what they will with it.

— - Assisted with correcting an email address issue. A non-member has been receiving our communications because his E-address is similar to one of our RCM's. Webserver team had taken steps to correct this and when advised it's been completed we can send an apology to the non-member.

— - Future goal: meet w/ Treasurer, ^{ARSC} vice-treasurer ^{ARSC} RB, BOD CFO & hopefully Chair (ARSC) to conduct the audit to prepare for next executive committee & session of ARSC.

Thanks for sharing your experiences with me - Bethany N.

NARCOTICS ANONYMOUS COPYRIGHTS AND LITERATURE

While we have tried to be reserved about what we as the World Board of Narcotics Anonymous World Services, Inc. have to say about a US Assembly, when the issue involves the fellowship's copyrights we have no choice but to respond. A draft of the Basic Text is currently being distributed that states on the cover "*Narcotics Anonymous Third Edition, Revised with original Fourth and Ninth Traditions – Fellowship Approved – United States Fellowship Assembly.*" NA World Services has been clearly charged to "*hold and administer all recovery literature and other intellectual properties of the Fellowship of Narcotics Anonymous in a manner that will help addicts find recovery from the disease of addiction and carry that message of recovery to the addict who still suffers, in keeping with the Twelve Steps and Twelve Traditions of NA*" (FIPT). We are certainly no stranger to the idea that some members of our fellowship hold a different opinion about these issues, despite the clearly stated will of our fellowship. However, whatever opinion you may have about any service proposal or any other issue, the illicit production and distribution of our literature is just wrong.

Our charge to protect the fellowship's property on its behalf, is clearly stated in *A Guide to World Service in NA*, the *FIPT*, and our bylaws. These policies are the result of much controversy and pain in the late 1980s and early 90s, long before any of us served in our current positions. The issues were taken up in numerous *Conference Agenda Reports*, discussions at World Service Conferences, and even a lawsuit against a member. That painful process culminated with representatives of all parties involved sitting down and hammering out an agreement to pose the issues in dispute to the fellowship and let group conscience decide. The fellowship overwhelmingly exercised its voice on these matters at WSC 1991. This led to the fellowship's adoption of the *Fellowship Intellectual Property Trust* in 1993. The recent distribution of this unapproved version of the Basic Text seems to ignore all of those fellowship decisions.

Our duty is clear. We are simply trying to fulfill our responsibilities and honor the trust that was placed on us as members of the World Board. If we were the board for a different type of organization, we would simply write a cease-and-desist letter to anyone infringing on the fellowship's property and ultimately seek a legal resolution. But we are not a normal business; we are a spiritual fellowship that has to manage a business. And the only people who can really protect the fellowship's property are the members and groups of NA. Only our members and groups can effectively enforce the decisions made by the fellowship and put a stop to this type of activity.

For those who want more background information, following is a brief factual history of the development of the Basic Text, the issues that arose as a result, and the decisions of the Fellowship at the World Service Conference.

THE BASIC TEXT

The World Service Conference of Narcotics Anonymous approved the Basic Text in May 1982. Having no experience in publishing a full-length book, publication of the First Edition was a very difficult job for the World Service Office. In addition to major problems with the printer initially chosen to publish the book, conceptual problems arose. In the course of preparing the approval-form book for publication, it was noted that portions of the essays on Traditions Four and Nine made it appear that the NA service structure should not be considered a part of Narcotics Anonymous. After much discussion, the WSO Board of Directors and the World Service Board of Trustees agreed that these portions should be removed from the book before publication of the First Edition. In response, the chairperson of the WSC Literature Committee attempted to revoke the earlier release of rights to the WSO of the Basic Text. However, when the World Service Conference met in May 1983, no motion was made to uphold the literature chairperson's action. On the contrary, new WSO by-laws were accepted, clearly stating that NA literature should be held in a charitable trust by the corporation on the fellowship's behalf. The WSO-copyrighted First Edition was officially released on April 27, 1983 by the World Service Office, using the name of CARENA Publishing Company.

Less than a month later, WSC action effectively created the Second Edition Basic Text. Conference minutes of 1983 reflect that a motion was passed, directing "that our book be completely returned to its [original] approved form in subsequent printings." The Second Edition of the Basic Text was released on September 28, 1983, with the missing lines reinserted. The year after the conference directed WSO to reinsert the missing lines from the traditions essays into the Basic Text, the WSC decided that the issue should ultimately be settled directly by the NA Fellowship. In 1984, regional service representatives were asked to poll their groups on whether the wording of the essays on the Fourth and Ninth Traditions should be as reflected in both the original approval form and the Second Edition, or as reflected in the First Edition. The question was submitted to the fellowship in a seven-page document including the proposed changes and the reasons both for making the change and for keeping the text as approved. The fellowship's response was thirty-six votes in favor of changing the text and eight against changing the text. Therefore, at the next printing—the Third Edition—the words originally deleted from the Approval Form when the First Edition was published were again deleted, this time in response to a direct vote of the fellowship. The Third Edition was formally released on October 20, 1984.

The 1985 World Service Conference passed a motion to edit the Basic Text for grammatical consistency and correctness. The motion called for the revised text to be reviewed and approved by the Literature Review Committee of the WSCLC. At the time, however, the Literature Committee was busy putting together *It Works: How and Why*, so these edits were not completed before the 1986 World Service Conference.

The 1986 conference, nonetheless, moved for further revisions to the Basic Text: A motion was passed to publish a revised version of the Little White Book and to edit the Basic Text to reflect those changes. The revisions to the Little White Book were ones that most members noticed because they changed what was read at most meetings. The Basic Text Third Edition, Revised was released in November 1986 and reflected the changes made in the Little White Book, but not the professional edit.

In the course of reviewing the draft of the professionally edited Basic Text, as charged by the conference, the Literature Review Committee discovered six conceptual inconsistencies with the newly revised Little White Book. The committee consulted with the WSO Board of Directors and the World Service Board of Trustees, and a decision was made to defer publication of the Fourth Edition until the conference was able to make a decision about the additional changes necessary to bring the text in line with the Little White Book. The 1987 WSC approved five of those six changes. The Fourth Edition Basic Text, published in October 1987, included these five changes, the earlier conceptual changes brought about by revising the Little White Book, as well as the professional edits. This was also the first version of the Basic Text to include a subject index, per 1986 WSC action.

Not long after the publication of the Fourth Edition, the WSO and the WSC Literature Committee began receiving complaints about errors in the Basic Text. After multiple rounds of line-by-line revision, it was discovered that there were serious transcription errors made in the typescript from which the professional editor worked. At the 1988 WSC, a motion was made to reinsert the missing lines from the Third Edition back into the Basic Text. Some felt that the changes in question were substantial enough to require broader fellowship review, but overall the conference did not agree and voted not even to consider the motion to send a special ballot to RSCs on the matter. Two other motions, very similar to one another, were defeated by overwhelming majorities; these motions sought to return to publication of the Third Edition, Revised, instead of printing a corrected Fourth Edition (i.e., Fifth Edition).

Despite the debate, the motion to reinsert the missing lines passed with significantly more than a 2/3 majority, and the Fifth Edition Basic Text was subsequently published later in 1988. Included in the motion was an amendment making the Basic Text "not eligible for revision for five years from this conference." The 1993 World Service Conference extended the moratorium for another five years. In 1998 a similar motion for a moratorium failed, but the conference passed a motion to commit to the World Board all input, including motions and amendments, related to revising the Basic Text and Little White Book. The board was to present a proposal to the 2000 World Service Conference. At the 2000 conference, participants voted to begin a process of evaluating possible changes to the Basic Text and/or Little White Book. That process ultimately led to the project that created the Sixth Edition Basic Text.

At WSC 2008, three CAR motions creating the Sixth Edition Basic Text were unanimously adopted. These motions were (1) to replace the existing stories in the Fifth

Edition Basic Text with those contained in the CAR; (2) add a new Preface to the Sixth Edition, change the title "Book One" and "Book Two" to "our Program" and "Our Members Share," add abstracts of each story to the Table of Contents, approve the "Reflections" and the specific titles for the sections of the stories; and (3) give the World Board the ability to update statistical information (number of NA meetings, etc.) in the new preface. The rest of the decisions about the Sixth Edition were carried by substantial majority (over two-thirds) but were not unanimous. The additional motions approved were to include a revised index and make two specific copyedits to the first ten chapters. Those copyedits were to replace "N.A." with "NA" and to remove a footnote in Tradition Eleven that referenced a PI guide that no longer exists.

This brought us to the current version of the text, and the following statement was added to *A Guide to World Service in NA*: "WSC 2008 approved the Sixth Edition Basic Text. Once it becomes available in October 2008, the Sixth Edition will be the only edition approved for NAWs production with the exceptions called out in the Translations Policy."

PROTECTING THE FELLOWSHIP'S INTELLECTUAL PROPERTY

The statement added to GWSNA about the Fifth Edition followed from a decision made at the 1991 conference about the Fifth. In 1990, some NA members took it upon themselves to print a version of the NA Basic Text, Book One, which they had created by combining the Third Edition, Revised, with the essays on Traditions Four and Nine from the Second Edition. In a US federal court hearing, the primary individual responsible for publishing the hybridized Basic Text at that time agreed to stop, and the World Service Office Board of Directors agreed to place three motions before the NA Fellowship in the 1991 *Conference Agenda Report*. One of those motions asked the fellowship to identify again which edition of the Basic Text it wished to consider "the official and accepted text of Narcotics Anonymous." A second motion asked whether a reduced-price Basic Text should be produced by the WSO. A third asked whether a group-by-group tally should be taken to determine the outcome of the first two motions (a tally is different from the normal method used to determine WSC decisions). All three motions were published in the CAR, were subsequently placed before the 1991 World Service Conference, and were defeated.

Following an extended discussion among all conference participants and the deliberations of an ad hoc committee, the WSC decided to issue the following statement to the fellowship:

The Basic Text, Fifth Edition, is the only edition of the Basic Text that is currently approved by the World Service Conference of Narcotics Anonymous for publication and sale. The World Service Office Board of Directors is entrusted with the responsibility for protecting the fellowship's physical and intellectual properties, including the Basic Text, and at the Board of Director's discretion shall take legal

action to protect those rights against any and all persons who choose to infringe upon this literature trust.

Two related motions were also passed at WSC '91 regarding NA intellectual property ownership and publishing. On a roll call vote with 67 yes votes, 9 no, and 3 abstaining, the following motion was carried: "To reaffirm and ratify that the ownership of all of NA's intellectual and physical properties prepared in the past and to be prepared in the future is held by WSO, Inc., which holds such title in trust on behalf of the Fellowship of Narcotics Anonymous as a whole in accordance with the decisions of the World Service Conference."

The other related motion was carried by a two-thirds majority voice vote: "To reaffirm that the World Service Office, Inc., is the exclusive publisher and distributor of all World Service Conference-approved literature, including all books, pamphlets, handbooks, and other intellectual and physical properties, as directed by the Fellowship of Narcotics Anonymous through the World Service Conference."

Regarding the issue of a low-cost Basic Text, the 1991 WSC did recognize that an inexpensive book containing the basics of NA recovery would be a great product to have for newcomers at meetings. A motion that directed the WSO and WSC Literature Committee to compile and publish such a book, to be called *An Introductory Guide to Narcotics Anonymous*, passed by a unanimous voice vote.

CONCLUSION

Considering the events recounted above, it seems quite clear that the NA Fellowship has expressed its conscience on the matter of its recovery literature. Any efforts by individuals or groups to reprint altered NA literature do not reflect the conscience of the NA Fellowship. The NA groups, as owners of NA's copyrights, and NA World Services, as trustees in the *Fellowship Intellectual Property Trust*, are partners in the effort to protect NA's copyrights. NA groups and members have the right and the responsibility to demand that those who would reprint or modify NA literature refrain from doing so.

Hello All,

As you all know by now, we have a new Approval Form Edition of Living Clean The Journey Continues available to us. As with all approval form literature, there are several things we need to do until it is voted up or down at the next WSC:

1. it may not be displayed for sale in any meeting, however NA members may purchase it through a group if they have it available for sale.
2. It is not available to non members, the treatment community, or any outside agency until after it has been approved at the WSC.
3. NA Groups may hold readings or studies on approval materials to inform their groups conscience, but not during the recovery portion of a meeting.

Approval draft available at http://na.org/2ID=Living_Clean_Project

The vote regarding fellowship approval of the book will take place at the World Service Conference in April 2012. The project plan for this book called for the text to be released for a one-year period in "approval form." The book will appear as an addendum in the Conference Agenda Report and, as such, will be a part of old business at the WSC 2012.

Expressing our gratitude: The participation of so many members from across the Fellowship really shaped the book, and taught us the power of the prayer, "...grant us a bond of selflessness, that this may truly be Your work, not ours." We want to extend our deepest appreciation to all of the members who contributed to the development of the book. The contribution of our members from the beginning of the project by submitting source material, to the later stages of review and input on every chapter, guided the writing and revision of this book. This book could not have been written without the participation of our members and for your time and effort, we are deeply grateful.

How to obtain the draft Hard copy: The book may be purchased for \$8.50 (including shipping and applicable taxes), and may be ordered online by searching the shopping cart using "Living Clean" as the search term. It is worth remembering that the draft will be available as a standalone item only until the Conference Agenda Report (CAR) is published in November 2011; after that the draft will be part of the CAR and will no longer be available to purchase separately.

East Valley Area requested my attendance at their last area meeting to speak on the proposed changes to our service structure. The focus of my talk was on our responsibility as trusted servants to know our current guide to local service and the Twelve Concepts before making judgements on the proposed changes to that structure. Our decisions on this should be informed, because it will set the direction and maturity that our fellowship will grow in for many years to come.

In Loving Service, Jim B.

Regional Liaison Report

5-15-2011

I attended the Regional Service Committee meeting on May 15, 2011. Following are my notes from that meeting:

- The Board has established an ad hoc committee to assist the policy coordinator in updating the revisions that have been approved for the Board of Directors, the Region and ARCNA guidelines.
- The Board held elections with the following results:
Ed G. was approved to continue serving as Chief Executive Officer.

Richard H. was elected to serve as Executive Officer

Steve P. was approved to continue serving as Chief Financial Officer.

Dani S. was approved to continue serving as Executive Secretary.

Greg W. was elected to serve as ARCNA site locator.

Jack T. was approved to continue serving as Insurance Liaison.

Chuck J. was elected to serve as Regional Liaison.

The policy coordinator was not present and the position will remain the same until the next Board of Directors Meeting.

- The ARCNA chair informed me that the locker containing the physical property of the Region is held in the name of an individual and not in the name of the corporation. The contract will need to change in order to facilitate access for persons other than the signer of the existing contract. I checked the Board of Directors guidelines and the Board is tasked with responsibility for the physical property of the Region (page3) and with signing all contracts for the Region (page 4). I will bring the issue back to the Board for action.

Secretary's Report for May 15, 2011

This will be my final Report as your Secretary due to an unfortunate relapse on April 8th. I apologize for not being able to fulfill my service commitment and any inconvenience my action cause the Region. Unfortunately I had to learn the hard way that NA cannot solve either my medical issues or my mental health issues and as much as I love the Fellowship, it is not the whole world. I am very grateful that we don't shoot our wounded as I never really had a chance to leave due to the friendships and bonds I have formed her in the last 9 years. As the only amends I can currently make to the ARSC I am not asking for reimbursement for the cost of last months Minutes and am including costs and receipts for the next secretary's budget request benefit. I am still grateful to have been allowed to serve in this position for as long as I did. I have returned both the Secretary's box and the tote containing the Secretary's archives. I have updated the USB drive so it is current as of last month. I have included both the written instructions and the online instructions for the new uploading of the Minutes. I have also removed from my computer any files containing personal information from Regional members.

The financials are as follows; I copied 791 pages for a total of \$78.05 and mailed 10 copies of the Minutes for a total mailing cost of \$15.60. This makes a total of \$93.65. I also bought envelopes for May's mailing but do not have the receipt, as I said above I will not be asking for reimbursement. Angie M.

ARSC H:I CHAIN REPORT 5/15/11

Hello All,

H:I is still going strong. Our meeting this morning was well attended and we got lots done. We had 5 requests for sponsors in the Sponsorship Behind The Walls program. 2 men and 3 women. We were able to match-up all with sponsors. Please continue to announce our needs for willing sponsors at all your meetings and areas.

My 2nd term as H:I Chain is almost up. I will not be able to run again. My vice-chain, Mike B., is willing to run for the chain position with the support of the rest of the sub-committee. He was unable to attend this meeting but did submit a statement of willingness and will be here in July.

~~Thank you for allowing me to serve,~~

Thank you for allowing me to serve,

May 15/11

Month of April and first of May no presentations for regional PR

Regional PR has volunteered to help the Tri Areas trusted servants learning day in any capacity requested and our both will be present.

Research is still being done on an updated booth cost.

We have also volunteered to assist the Phoenix area in call calling public service organizations at their discretion.

We are currently becoming involved with a new meeting at Cross Roads young mens facility in conjunction with H & I and have volunteered to help with literature if needed.

PR is submitting our invoice due in July for The Art of Recovery. Both will be set up and staffed by volunteers from NA on Sept 23,24,25/11. This is an annual event and the cost is \$225.00 for all three days and has always been a great opportunity to present our message of Recovery. These funds were already approved in our annual budget and cost do not need to be incurred until July.

On a personal note am very proud of all our convention volunteers and looking forward to a great time. The work on the programing committee was especially rewarding for me personally and I hope to see you there.

Thank you members for giving me the opportunity to serve and for a life worth having.

This has been a fairly slow month which is a pretty good deal considering how busy I've been. We have received interest from an extremely qualified person to join the web committee, and I just have to follow through to get her an assignment. All seems to be well, although I was hoping to get some more supplemental guideline changes in front of the regional committee that would clean up a few issues about the web committee, but I did not get time. They should be in front of the committee next meeting. These would address our budget and removing some technical guidelines.

As always, please encourage your service bodies to send their fun-in recovery events to Webservant@Arizona-NA.org. Service meeting information, documents and forms, and service position availability can be emailed to the webservant or to our service representative at Service@Arizona-NA.org. Please send meeting list changes to Meetinglist@Arizona-NA.org. As well, please invite any addict you know to join the Web Committee; they can get in touch with me at the same email address. Basic HTML editing skill are suggested, more specialized and advanced web knowledge would be appreciated.

East Valley Area
May 15, 2011

Greetings from the East Valley;

All of our H&I meetings are currently covered. A request was forwarded to our H&I Chair today for additional meetings in Scottsdale.

East Valley is attempting to participate in a combined area TSLD scheduled for June 18; however the communication seems to only come after decisions have been made. There apparently is a meeting scheduled on May 23rd that our liaison has been invited to so we expect more will be revealed. There appears to be some confusion as to why a facility in the East Valley was booked and then we were advised by email or text that the location was changed to Phoenix and as of our last area meeting none of our subcommittees had been contacted for their input or support.

On the evening of June 18th, the Highway to Serenity homegroup will be sponsoring the annual Bikers Ball. Please join ~~us~~ at 1701 S College, Tempe AZ at 7am for our speaker meeting with the dance to follow. There will be a midnight ride after the dance and everyone is invited whether you ride a bike or come in your car.

Nominations were opened at the April ASC meeting and elections will be held in June for positions to be seated in August.

The East Valley GSRs had several questions concerning the US Fellowship information that has been circulating and requested more information regarding this group. Jim B. our RDA Alt came to the GSR forum in May and provided input.

We are currently under prudent reserve and have provided at check in the amount of \$198.00 for meeting lists.

In loving service,
Cheryl WB

RCM II Report May 2011

Arizona Region, Hello.

- I attended the Phoenix Area Service committee and am here to report:
 - The Sedona Campout is Thursday June 2, - Sunday June 5. That is the weekend after our regional convention so we are looking for support from the outlying Areas. They are looking to borrow electric cooking equipment because there is a no open fire ordinance in place. If you know anyone who can help with this please contact Paul at 623-223-3292. All the information is on the website for registration.
 - We have a Breakfast coming up on Sunday morning, May 22, 9am, North Mountain Park, Yavapai Pavillion. The plan is to eat breakfast together and then go down the hill to the other pavilion and support the Sunday morning meeting. North Mountain Park is at 7th Street north of Peoria Ave.
 - Our PI committee has placed the NA business cards in the Police Substations for Officers to pick up and carry in their cars. This is a huge step to have the police helping us get the word out. They are also working on the idea of press releases so that our name stays in circulation but that would take getting one reporter interested in what we do.
 - There will be no Phoenix Area dance this month because of the convention coming up at the end of the month. The next dance is scheduled for June 25.
 - Our H&I committee has been asked to bring a meeting to a closed lock down opiate detox program just started by Crossroads. We were excited at that opportunity and have been able to man it to start immediately.
 - There is a new meeting "City Lights" at North Mountain Park on Friday nights, 7pm
 - New River meeting is still a meeting even though they cannot participate in AREA service., It will continue to stay on the meeting list and is alive and well. Please pass that along.
 - Our area thanks the meeting list committee for looking into options for a bigger font.
 - TSLD the four area effort needs support, June 19 in Phoenix at Bethany Bible Church
 - We are coming up on elections at the PASC and have many open positions
- Thank you letting me be of service

FROM: Stephen S., RCM

Date: May 15, 2011

Hello Family:

Here is what's going on in the Southeastern area:

- The area treasurer reported negative income for this month so there will be no donation.
- The PR committee has a plan to put letter size flyers on cork boards and/or other locations around the university, south Tucson, and Santa Cruz County.
- The activities sub-committee will host an 80's themed dance, June 11th Which will be preceded by a host other events. Starting with a GSR Workshop at noon, Volleyball 4-6, potluck dinner, and a speaker meeting. So, if you're down in Southeastern AZ look up the next event on www.natucson.org.
- Since Literature prices will be going up in June some members were looking at the current pricing and noticed an elevated price from the world pricing online. So an Ad-Hoc Committee was formed to investigate what to do. The pricing was originally increased to cover shipping, but is no longer needed.

VVANA
Hello Family,

Things are well in the Verde Valley. Not really too much to report. We do have some positions we are trying to fill still at area level. But all in all most of our meetings have regular attendance and people are recovering. We have had a meeting in Payson join us, it is at 809 Longhorn and is a Literature Study meeting from 6:00-7:00 p.m.(Dining Room) The Verde Valley would really like to look into our options as to having our next convention somewhere a little more affordable as a lot of members just cannot afford it. We did send back to our meetings about having Conventions in casino's and the groups conscience voted yes. Also we have put out to our groups the idea of having all of the states unity days together, as we do not have an Activities Chair. More will Revealed on that. We are donating \$100.00 to region. As always thank you for letting me be of service.

ARCNA XXV Chair Report
5/15/11

Greetings Region:

We are less than two weeks from ARCNA 25 and the committee is very excited to see all our hard work put into what we are sure will be truly memorable celebration of recovery.

Another update on the ARCNA storage unit, the stolen credit card was replaced so we will have two machines at the convention, one at registration and one in merchandise. We have also discovered that the walkie talkies were stolen at the time of the break in. They had not been used in the last several years and it is not likely that they will need to be replaced, but I felt important to let you know.

We have met our minimum commitment for room nights with the hotel. Registration subcommittee is stuffing packets as we meet, and all other committees are on task with very little left to be done between now and kickoff on the 27th.

The Friday night hootenanny is shaping up to be a really amazing event. Please make sure you pass along to the GSRs that the Friday night Hootenanny will have food as well as fun. Barbeque beef, chicken and vegetarian options along with cold salads and deserts. Music, juggling, a western themed skit, Old time photos for only \$5.00, face painting, crafts, and a contest for Best Western-Wear Costume. In addition to all this fun, the event will allow the fellowship to stay at the hotel once they arrive on Friday rather than going back out to look for food.

There will be Golf on Friday at 1:00 PM, Andy C is the contact and his info is on the registration flyer.

There was not enough interest to meet the minimum requirement for Kids Camp. Refunds are being mailed to those who paid for kids camp.

At the close of our meeting yesterday our bank balance was \$18,740.53. This was after we cut a check to the RSC returning the \$2,000 you gave us in January. The committee worked hard to keep our up front expenses down and the fellowship came through with sufficient registrations that we are confident returning this money now will not cause a hardship later. We are

grateful for the support the RSC showed us when we were not certain of liabilities and felt it was appropriate to return this money now as we are "out of the woods".

In closing I wish to apologize for my conduct at the last RSC. I was hungry, tired, and yes, frustrated, but that does not excuse my accusatory tone or language. I strive today to remain spiritually centered in service and to trust in both the process of group conscience and the loving Higher Power that guides us as a body. It has been several years since those defects you witnessed have shown up in a service setting, and it was humbling for me to realize that I had lost focus. I missed the mark in terms of what I said and how I said it, and I am sorry. I still believe that allowing the ARCNA nominees to present their resumes so that they could leave would not have impacted the business of the RSC, but my overly aggressive grandstanding was inappropriate and likely did more harm than good in terms of making my point. I hope to serve with many of you in the future and the opportunity to show you that my remarks at the last RSC do not accurately represent the trusted servant who stands before you.

Thank you all again for your support thus far and we look forward to seeing all of you ARCNA XXV.

Yours in loving service,

Michael M.

NA Resume

I have been doing service since early recovery. I started with setting up a meeting with 30 days clean and below is my resume of service. I was taught that to keep what I have which was given to me freely was to be of service. My sponsor was the first one to tell me what service committee to take and this has been an on-going committee in my recovery.

NEW YORK

Patterson NY: Detox H&I meeting 6 months clean to 1 ½ yr. clean.

Home Group: Back to Reality Patterson New York

Upstate New York Region: GSR and Speaker Setter from 2 years clean to 6 years clean for the Greater New York Region

H&I for Danbury Federal Prison for greater New York Region from 6 years clean to 9 years clean.

Relocated to Phoenix, Arizona 1998

1999 or 2000 Regional H&I Chairperson for 4 years

2003 or 2004 Regional GSR for 2 years

2008 ARCNA 22 vice Chair for Hospitality

2010 ARCNA 24 Chair for Hospitality

2011 ARCNA 24 Participate in programming committee from beginning to end.

Home Group: End of the Road

Group Secretary 2006 to current.

What can I bring to the elected position:

I would like to contribute to the fellowship my expertise and experience of service. I have been doing service since the day I got clean and I have always brought 110% to the table. I must admit that I'm human and there are times I do not do things perfectly. This is a program of progress not perfection. I would like to bring diversity to the Committee as ARCNA Vice Chair. As of 2006, I started a private practice and a mental health clinic and despite that was able to be in service at the same time. I leave this in the hand of a Higher Power that is greater than you and me. So let it be done.

What are my goals for the elected position:

To bring unity to the organization by incorporating the Flagstaff area into this next convention since the year after it will be in their area. To demonstrate how the fellowship operates through unity as stated in our tradition. I look forward to make the commitment for the next 2 years knowing that the commitment includes traveling for the convention. I would like the opportunity to demonstrate that diversity is alive and well in the Arizona Region of NA. I would like to take this time to thank the committee for the time addressing this matter and your love and respect for recovery in NA.

Why we Register?

It is the support of each member's registration or donation that helps make our convention a success. The money that is collected from your registration is used to pay for the hotel facilities used during the convention, as well as associated service expenses. Some of these services include rooms for meetings, banquets, entertainment, general supplies, printing the programs, signs and tickets for special events. The money is also used to include small recovery oriented items in each registration packet.

Newcomer Registrations

A limited number of packages are set aside for newcomers with less than thirty days clean time. Packages will be distributed on a first come, first serve basis.

We need your help!

Please remember that we are all representative of Narcotics Anonymous. We ask that you act responsibly. Parents, you are responsible for your children while at the convention. Should problems arise, you will be responsible for any/all damages. We hope you all have fun and enjoy this year's convention.
