H&I Chair(I believe the Vice-Chair is stepping up but there is no Nomination submitted yet)

Newsletter Chair and Outreach Chair

In addition we are experiencing a shortfall of 7th tradition versus our monthly expenses. Uncommitted funds in our Treasury at the moment are down to just \$293 and change. I don't like to discuss finances in my report but the practical reality is that if the recent trend continues, we will be essentially broke as an Area within 2-3 months. By that I mean we will be unable to fund H&I and PR with literature even at the reduced levels they have been requesting for some time now. And we may also not be able to pay our share of the meeting list costs and thereby default to our Region to cover that cost. We would not be fully self supporting if that happens.

I trust our Higher Power to carry us through this and I know we will move to adjust our finances so that we are fully self supporting according to the spirit of the 7th Tradition. I guess we may need to adjust the level we are accustomed to being able to carry the message through literature in H&I and PR. Or maybe there are other answers and alternative means of funding besides 7th Tradition. My gut tells me it would best be done with 7th Tradition, but my gut is not the only one to be heard from is it? What does your gut say?

Thank you for sharing your love of our fellowship by being of service and being generous with your time, resources and money. Please bring your Group Conscience so we can carry the message to the addict who still suffers in the best possible way we can.

In loving service,
Sam H.

ANY MEETING LIST CHANGES?

June 12, 2011
RCM I

Greetings East Valley,

There is a lot to report:

Elections will be held at the July RSC meeting. Submitted statements of Willingness and Qualifications will be included with my report. I have blank forms if anyone needs one. Positions with no one running at this time are: Regional Board Member, PR Chair, Lit Review Chair, Activities Coordinator and Alt Treasurer.

We have 2 people running for Chair and Vice Chair and I need your vote next meeting to take to Region.

The regional secretary has resigned and our very own Alice has been appointed as acting secretary until elections, (she also has submitted a Statement of W & Q).

Normally ARCNA positions would have been voted on at the last RSC meeting, alas the candidate for Chair, (prior vice chair) withdrew and so the Vice Chair nomination was put on hold, as he has resubmitted as Chair. We did elect Angie as ARCNA treasurer. See the Stmts of W & Q for chair and vice chair.

The Region will be submitting to NAWS for consideration Greg W to as a world board member and Nancy G as MRP Panel.

Vice Chair and Greg G, still working to get another key to the regional P O Box.

H&I-5 new members for Behind the Walls, 3 men, 2 women. The current Vice Chair has submitted a Stmt of W&Q.

PR-had no presentations will assist with the Tri Area Learning Day.

Web Servant, still working on guidelines and budget which should be at the next RSC meeting.

BOD-still working on updated guidelines, ad hoc committee has been formed to hammer that out. Elections were held and results are: Ed G, continue as CEO, Richard H elected as EO, Steve P to continue as CFO, Dani S to continue as exec. Secretary, Greg W is back as ARCNA site locator, Jack T to continue as insurance liaison; Chuck J is the new regional liaison. The policy coordinator was not present and shall remain the same until the next BOD meeting.

There are new training dates for Volunteers to go into somewhere; I presume Maricopa County correctional facilities as the classes are being held at the Lower Buckeye Jail. You must RSVP to 602-876-7207, see me at the break for more information.

Alice has continued the practice of including flyers in the emailed minutes, please check out the minutes on the regional web site (or we can ask Wild Bill to forward the link) so that you can inform your homegroups of all the cool recovery stuff that is going on in and outside of our Region.

A copy of the statement from NAWS regarding Copyrights and Literature is also included in my report and I suspect that this issue was discussed in the GRS forum which was held immediately prior to this meeting. Please note, this is a serious issue and cutting and pasting our literature can lead to legal repercussions. As stated, we are a spiritual fellowship that has to manage a business. Please share this information with your homegroups and other members of NA.

NEXT REGIONAL ASSEMBLY WILL BE OCTOBER 15, 2011, HOSTED BY YAVAPAI REGION, MORE WILL BE REVEALED, (TIME, LOCATION, ETC)

Beginning balance: \$681.86

Deposits: \$5,505.36 (Includes reimbursement from ARCNA of \$2,000.00)

Checks: \$3,202.10

Month end balance: \$2,985.12

**In loving service,
Cheryl WB**

Answers:

- 1) Audit procedures for ARCNA - Reconcile all Transactions on a daily Basis
- 2) Were there any disputed transactions regarding the ATM issue. No, all funds collected
- 3) Better training for credit card machine, set of instructions will be next to each machine

NA Resume

I have been doing service since early recovery. I started with setting up a meeting with 30 days clean and below is my resume of service. I was taught that to keep what I have which was given to me freely was to be of service. My sponsor was the first one to tell me what service committee to take and this has been an on-going committee in my recovery.

NEW YORK

Patterson NY: Detox H&I meeting 6 months clean to 1 ½ yr. clean.
Home Group: Back to Reality Patterson New York
Upstate New York Region: GSR and Speaker Setter from 2 years clean to 6 years clean for the Greater New York Region
H&I for Danbury Federal Prison for greater New York Region from 6 years clean to 9 years clean.

Relocated to Phoenix, Arizona 1998

1999 or 2000 Regional H&I Chairperson for 4 years
2003 or 2004 Regional GSR for 2 years
2008 ARCNA 22 vice Chair for Hospitality
2010 ARCNA 24 Chair for Hospitality
2011 ARCNA 24 Participate in programming committee from beginning to end.

Home Group: End of the Road
Group Secretary 2006 to current.

What can I bring to the elected position:

I would like to contribute to the fellowship my expertise and experience of service. I have been doing service since the day I got clean and I have always brought 110% to the table. I must admit that I'm human and there are times I do not do things perfectly. This is a program of progress not perfection. I would like to bring diversity to the Committee as ARCNA Vice Chair. As of 2006, I started a private practice and a mental health clinic and despite that was able to be in service at the same time. I leave this in the hand of a Higher Power that is greater than you and me. So let it be done.

What are my goals for the elected position:

To bring unity to the organization by incorporating the Flagstaff area into this next convention since the year after it will be in their area. To demonstrate how the fellowship operates through unity as stated in our tradition. I look forward to make the commitment for the next 2 years knowing that the commitment includes traveling for the convention. I would like the opportunity to demonstrate that diversity is alive and well in the Arizona Region of NA. I would like to take this time to thank the committee for the time addressing this matter and your love and respect for recovery in NA.

NARCOTICS ANONYMOUS COPYRIGHTS AND LITERATURE

While we have tried to be reserved about what we as the World Board of Narcotics Anonymous World Services, Inc. have to say about a US Assembly, when the issue involves the fellowship's copyrights we have no choice but to respond. A draft of the Basic Text is currently being distributed that states on the cover "*Narcotics Anonymous Third Edition, Revised with original Fourth and Ninth Traditions - Fellowship Approved - United States Fellowship Assembly.*" NA World Services has been clearly charged to "*hold and administer all recovery literature and other intellectual properties of the Fellowship of Narcotics Anonymous in a manner that will help addicts find recovery from the disease of addiction and carry that message of recovery to the addict who still suffers, in keeping with the Twelve Steps and Twelve Traditions of NA*" (FIPT). We are certainly no stranger to the idea that some members of our fellowship hold a different opinion about these issues, despite the clearly stated will of our fellowship. However, whatever opinion you may have about any service proposal or any other issue, the illicit production and distribution of our literature is just wrong.

Our charge to protect the fellowship's property on its behalf, is clearly stated in *A Guide to World Service in NA*, the *FIPT*, and our bylaws. These policies are the result of much controversy and pain in the late 1980s and early 90s, long before any of us served in our current positions. The issues were taken up in numerous *Conference Agenda Reports*, discussions at World Service Conferences, and even a lawsuit against a member. That painful process culminated with representatives of all parties involved sitting down and hammering out an agreement to pose the issues in dispute to the fellowship and let group conscience decide. The fellowship overwhelmingly exercised its voice on these matters at WSC 1991. This led to the fellowship's adoption of the *Fellowship Intellectual Property Trust* in 1993. The recent distribution of this unapproved version of the Basic Text seems to ignore all of those fellowship decisions.

Our duty is clear. We are simply trying to fulfill our responsibilities and honor the trust that was placed on us as members of the World Board. If we were the board for a different type of organization, we would simply write a cease-and-desist letter to anyone infringing on the fellowship's property and ultimately seek a legal resolution. But we are not a normal business; we are a spiritual fellowship that has to manage a business. And the only people who can really protect the fellowship's property are the members and groups of NA. Only our members and groups can effectively enforce the decisions made by the fellowship and put a stop to this type of activity.

For those who want more background information, following is a brief factual history of the development of the Basic Text, the issues that arose as a result, and the decisions of the Fellowship at the World Service Conference.

THE BASIC TEXT

The World Service Conference of Narcotics Anonymous approved the Basic Text in May 1982. Having no experience in publishing a full-length book, publication of the First Edition was a very difficult job for the World Service Office. In addition to major problems with the printer initially chosen to publish the book, conceptual problems arose. In the course of preparing the approval-form book for publication, it was noted that portions of the essays on Traditions Four and Nine made it appear that the NA service structure should not be considered a part of Narcotics Anonymous. After much discussion, the WSO Board of Directors and the World Service Board of Trustees agreed that these portions should be removed from the book before publication of the First Edition. In response, the chairperson of the WSC Literature Committee attempted to revoke the earlier release of rights to the WSO of the Basic Text. However, when the World Service Conference met in May 1983, no motion was made to uphold the literature chairperson's action. On the contrary, new WSO by-laws were accepted, clearly stating that NA literature should be held in a charitable trust by the corporation on the fellowship's behalf. The WSO-copyrighted First Edition was officially released on April 27, 1983 by the World Service Office, using the name of CARENA Publishing Company.

Less than a month later, WSC action effectively created the Second Edition Basic Text. Conference minutes of 1983 reflect that a motion was passed directing "that our book be completely returned to its [original] approved form in subsequent printings." The Second Edition of the Basic Text was released on September 28, 1983, with the missing lines reinserted. The year after the conference directed WSO to reinsert the missing lines from the traditions essays into the Basic Text, the WSC decided that the issue should ultimately be settled directly by the NA Fellowship. In 1984, regional service representatives were asked to poll their groups on whether the wording of the essays on the Fourth and Ninth Traditions should be as reflected in both the original approval form and the Second Edition, or as reflected in the First Edition. The question was submitted to the fellowship in a seven-page document including the proposed changes and the reasons both for making the change and for keeping the text as approved. The fellowship's response was thirty-six votes in favor of changing the text and eight against changing the text. Therefore, at the next printing—the Third Edition—the words originally deleted from the Approval Form when the First Edition was published were again deleted, this time in response to a direct vote of the fellowship. The Third Edition was formally released on October 20, 1984.

The 1985 World Service Conference passed a motion to edit the Basic Text for grammatical consistency and correctness. The motion called for the revised text to be reviewed and approved by the Literature Review Committee of the WSCLC. At the time, however, the Literature Committee was busy putting together *It Works: How and Why*, so these edits were not completed before the 1986 World Service Conference.

The 1986 conference, nonetheless, moved for further revisions to the Basic Text. A motion was passed to publish a revised version of the Little White Book and to edit the Basic Text to reflect those changes. The revisions to the Little White Book were ones that most members noticed because they changed what was read at most meetings. The Basic Text Third Edition, Revised was released in November 1986 and reflected the changes made in the Little White Book, but not the professional edit.

In the course of reviewing the draft of the professionally edited Basic Text, as charged by the conference, the Literature Review Committee discovered six conceptual inconsistencies with the newly revised Little White Book. The committee consulted with the WSO Board of Directors and the World Service Board of Trustees, and a decision was made to defer publication of the Fourth Edition until the conference was able to make a decision about the additional changes necessary to bring the text in line with the Little White Book. The 1987 WSC approved five of those six changes. The Fourth Edition Basic Text, published in October 1987, included these five changes, the earlier conceptual changes brought about by revising the Little White Book, as well as the professional edits. This was also the first version of the Basic Text to include a subject index, per 1986 WSC action.

Not long after the publication of the Fourth Edition, the WSO and the WSC Literature Committee began receiving complaints about errors in the Basic Text. After multiple rounds of line-by-line revision, it was discovered that there were serious transcription errors made in the typescript from which the professional editor worked. At the 1988 WSC, a motion was made to reinsert the missing lines from the Third Edition back into the Basic Text. Some felt that the changes in question were substantial enough to require broader fellowship review, but overall the conference did not agree and voted not even to consider the motion to send a special ballot to RSCs on the matter. Two other motions, very similar to one another, were defeated by overwhelming majorities; these motions sought to return to publication of the Third Edition, Revised, instead of printing a corrected Fourth Edition (i.e., Fifth Edition).

Despite the debate, the motion to reinsert the missing lines passed with significantly more than a 2/3 majority, and the Fifth Edition Basic Text was subsequently published later in 1988. Included in the motion was an amendment making the Basic Text "not eligible for revision for five years from this conference." The 1993 World Service Conference extended the moratorium for another five years. In 1998 a similar motion for a moratorium failed, but the conference passed a motion to commit to the World Board all input, including motions and amendments, related to revising the Basic Text and Little White Book. The board was to present a proposal to the 2000 World Service Conference. At the 2000 conference, participants voted to begin a process of evaluating possible changes to the Basic Text and/or Little White Book. That process ultimately led to the project that created the Sixth Edition Basic Text.

At WSC 2008, three CAR motions creating the Sixth Edition Basic Text were unanimously adopted. These motions were (1) to replace the existing stones in the Fifth

Edition Basic Text with those contained in the CAR; (2) add a new Preface to the Sixth Edition, change the title "Book One" and "Book Two" to "our Program" and "Our Members Share," add abstracts of each story to the Table of Contents, approve the "Reflections" and the specific titles for the sections of the stories; and (3) give the World Board the ability to update statistical information (number of NA meetings, etc.) in the new preface. The rest of the decisions about the Sixth Edition were carried by substantial majority (over two-thirds) but were not unanimous. The additional motions approved were to include a revised index and make two specific copyedits to the first ten chapters. Those copyedits were to replace "N.A." with "NA" and to remove a footnote in Tradition Eleven that referenced a PI guide that no longer exists.

This brought us to the current version of the text, and the following statement was added to *A Guide to World Service in NA*: "WSC 2008 approved the Sixth Edition Basic Text. Once it becomes available in October 2008, the Sixth Edition will be the only edition approved for NAWS production with the exceptions called out in the Translations Policy."

PROTECTING THE FELLOWSHIP'S INTELLECTUAL PROPERTY

The statement added to *GWSNA* about the Fifth Edition followed from a decision made at the 1991 conference about the Fifth. In 1990, some NA members took it upon themselves to print a version of the NA Basic Text, Book One, which they had created by combining the Third Edition, Revised, with the essays on Traditions Four and Nine from the Second Edition. In a US federal court hearing, the primary individual responsible for publishing the hybridized Basic Text at that time agreed to stop, and the World Service Office Board of Directors agreed to place three motions before the NA Fellowship in the 1991 *Conference Agenda Report*. One of those motions asked the fellowship to identify again which edition of the Basic Text it wished to consider "the official and accepted text of Narcotics Anonymous." A second motion asked whether a reduced-price Basic Text should be produced by the WSO. A third asked whether a group-by-group tally should be taken to determine the outcome of the first two motions (a tally is different from the normal method used to determine WSC decisions). All three motions were published in the CAR, were subsequently placed before the 1991 World Service Conference, and were defeated.

Following an extended discussion among all conference participants and the deliberations of an ad hoc committee, the WSC decided to issue the following statement to the fellowship:

The Basic Text, Fifth Edition, is the only edition of the Basic Text that is currently approved by the World Service Conference of Narcotics Anonymous for publication and sale. The World Service Office Board of Directors is entrusted with the responsibility for protecting the fellowship's physical and intellectual properties, including the Basic Text, and at the Board of Director's discretion shall take legal

action to protect those rights against any and all persons who choose to infringe upon this literature trust

Two related motions were also passed at WSC '91 regarding NA intellectual property ownership and publishing. On a roll call vote with 67 yes votes, 9 no, and 3 abstaining, the following motion was carried: "To reaffirm and ratify that the ownership of all of NA's intellectual and physical properties prepared in the past and to be prepared in the future is held by WSO, Inc., which holds such title in trust on behalf of the Fellowship of Narcotics Anonymous as a whole in accordance with the decisions of the World Service Conference."

The other related motion was carried by a two-thirds majority voice vote: "To reaffirm that the World Service Office, Inc., is the exclusive publisher and distributor of all World Service Conference-approved literature, including all books, pamphlets, handbooks, and other intellectual and physical properties, as directed by the Fellowship of Narcotics Anonymous through the World Service Conference."

Regarding the issue of a low-cost Basic Text, the 1991 WSC did recognize that an inexpensive book containing the basics of NA recovery would be a great product to have for newcomers at meetings. A motion that directed the WSO and WSC Literature Committee to compile and publish such a book, to be called *An Introductory Guide to Narcotics Anonymous*, passed by a unanimous voice vote.

CONCLUSION

Considering the events recounted above, it seems quite clear that the NA Fellowship has expressed its conscience on the matter of its recovery literature. Any efforts by individuals or groups to reprint altered NA literature do not reflect the conscience of the NA Fellowship. The NA groups, as owners of NA's copyrights, and NA World Services, as trustees in the *Fellowship Intellectual Property Trust*, are partners in the effort to protect NA's copyrights. NA groups and members have the right and the responsibility to demand that those who would reprint or modify NA literature refrain from doing so.

EVNA RCMII report for June 12, 2011

Greetings family hope all is well, NavApache reports all going well with the planning of The Festival of Recovery. Did hear from The Peaks at ARCNA they have an Area of two but will be sending a RCM to Region.

Phoenix had put out word of what they needed at their Sedona campout that was last weekend. They have a Breakfast coming up on Sunday morning, May 22, 9am, North Mountain Park, Yavapai Pavilion. The plan is to eat breakfast together and then go down the hill to the other pavilion and support the Sunday morning meeting. North Mountain Park is at 7th Street north of Peoria Ave. PI committee has placed NA business cards in the Police Substations for Officers to pick up and carry in their cars. This is a huge step to have the police helping us get the word out. They are also working on the idea of press releases so that our name stays in circulation but that would take getting one reporter interested in what we do. There was no Phoenix Area dance last month because of the convention, their next dance is scheduled for June 25. H&I committee has been asked to bring a meeting to a closed lock down opiate detox program just started by Crossroads.

South Central is looking for a new site for their New Beginnings meeting; check the web site for info. They have many events coming up this summer including a tube float 7/24 and will be renting out the local public pool just for NA members coming up.

South Western reported a negative income for last month so there was no donation. The PR committee has a plan to put letter size flyers on cork boards and/or other locations around the university, south Tucson, and Santa Cruz County. • The activities sub-committee had an 80's themed dance, June 11th which was preceded by a host other events. Starting with a GSR Workshop, Volleyball, potluck dinner, and a speaker meeting • Since Literature prices will be going up in June some members were looking at the current pricing and noticed an elevated price from the world pricing online. So an Ad-Hoc Committee was formed to investigate what to do. The pricing was originally increased to cover shipping, but is no longer needed.

Verde Valley said not much to report, still have some open positions and one meeting from Payson did join their Area .

West Valley says 12 out of 16 GSR's came to Area in April. CampVention did well and have set up an ad hoc committee to look at their 7th tradition. They still have questions on the 800#.

Yavapai reports their meetings growing which they believe is due to the warming weather. They changed the format on their Sunday Loving meeting, no longer a speaker meeting and PR is also doing well. They are looking to see if they can get ARCNA up their way for 2014 and would like to host the TSLD in October this year. They waived their Activities chair clean time requirement from 3yrs to 1 year. They will be hosting a Picnic 7/2 for those not going to the Festival of Recover in Show low.

NARATHON:

HELP...The Narathon Committee needs your support. (there's even talk of dissolving this Committee). The next meeting will be on July 3rd, 7:30 pm @ Jerry's restaurant, 23rd street & Thomas. There was only two folks at the last meeting, Myself and the Chair. We talked about what we could do to get more involvement in the committee.

Thanks...Wildbill
