

Sponsorship Day

Monday, 1 December 2025

We find that by working the steps, communicating with our Higher Power, talking to our sponsors, and sharing with newcomers, we are able to grow spiritually.

Basic Text, "What Can I Do?"

On Sponsorship Day we acknowledge the power of sponsorship to change lives. We learn and grow just as much from sponsoring as we do from being sponsored.

To celebrate this unique relationship, many NA communities hold sponsorship-themed speaker jams, meetings, or other events. As members, we often express gratitude for the people who participate in sponsorship with us on Sponsorship Day.

The NA Survival Kit is a great tool for working steps. Whether you want to offer a sponsee some friendly motivation or make your sponsor's task just a little bit easier, it's a gift that keeps on giving!
